

A photograph of a large evergreen tree, possibly a spruce or fir, standing on a grassy hill. The tree's branches are dense and dark green, with some lighter green foliage visible in the background. The foreground is a lush green lawn. The overall scene is a natural, outdoor setting.

ARTEMISIA 1966

*Manzanita Lake
Quietly reflects
The dignified
surroundings
of
old
and
new . . .*

*Morril Hall
Stands rooted
As it has
For
Generations
And . . .*

*Mackey Stadium
Becomes
A
Memory
But . . .*

*The Heartbeat
Of
The University
Is
Man*

*But the heartbeat
Cannot be felt
Except by those
Intimately
Involved*

*Restlessly
They come and go
But*

The Audience is the same . . .

*In the shadows
The sometimes
Inspirational
Frequently
Awesome
Future
Watches
And
Waits . . .*

*The College Experience
Is Just the beginning
Of a long cold winter*

*Which at one time or another
Will freeze an inquiring mind.*

*Some will remain
Aimless and Apathetic
And never plow out from under
The ice and snow . . .*

*And some survive the winter
Only to be burdened
By the responsibility of knowing
And therefore doing . . .*

*The future is impersonal
And impregnable
The students are not . . .*

*The apathetic parasite
And the enthusiastic seeker still exist,
And
The campus remains much the same.*

*A sense of urgency abounds
Which
Shakes the very foundation
Of the Future . . .*

*For
The inquiring Man
With
His impatient questions
And
Incomplete Answers
No longer Complacently
Watches
The Game of Life . . .*

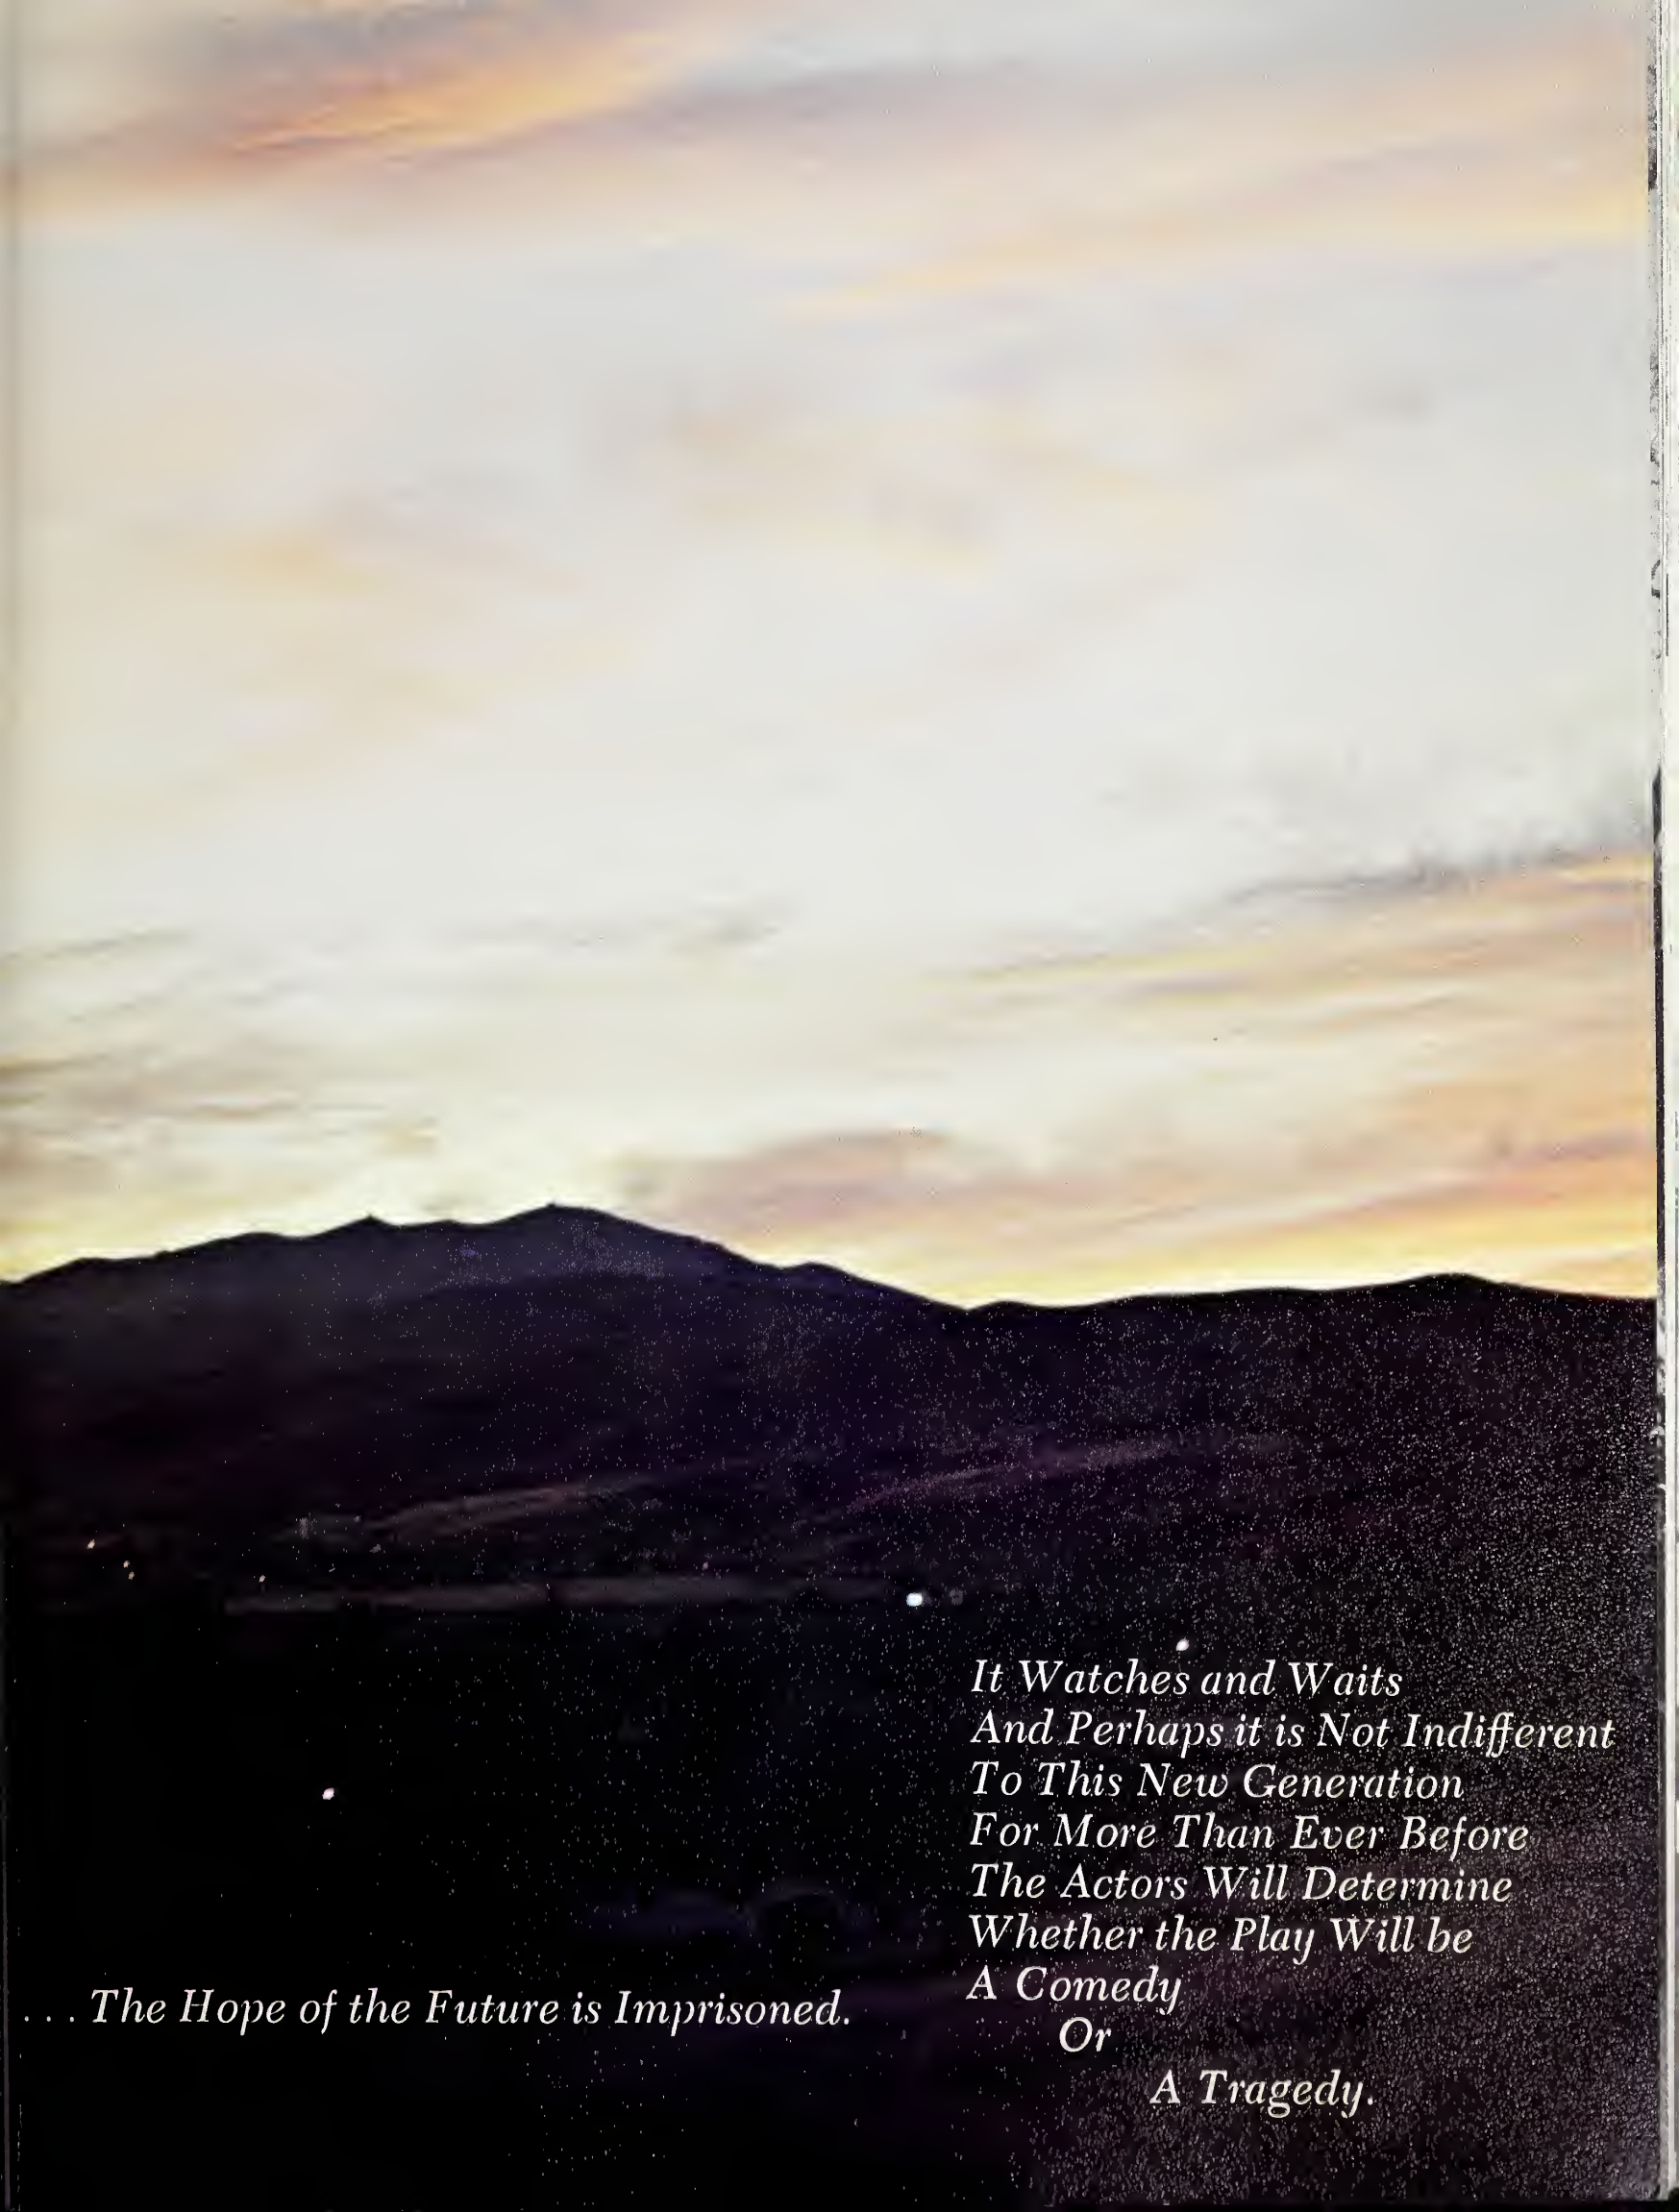

*He is plagued
By the realization
That
Ignorance means decay
And
Idleness Means destruction . . .*

*So the College Experience
Becomes the Springboard for Tomorrow . . .*

Here . . . In the Heartbeat

... The Hope of the Future is Imprisoned.

*It Watches and Waits
And Perhaps it is Not Indifferent
To This New Generation
For More Than Ever Before
The Actors Will Determine
Whether the Play Will be
A Comedy
Or
A Tragedy.*

The world awaits
Dreamers
And Doers...

Many Fragments of the spirit

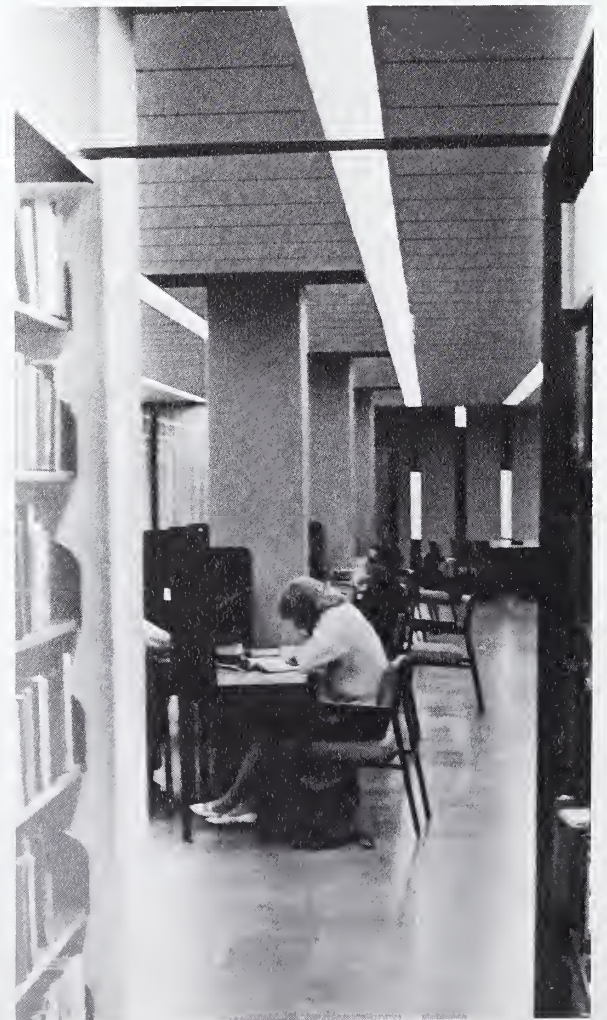

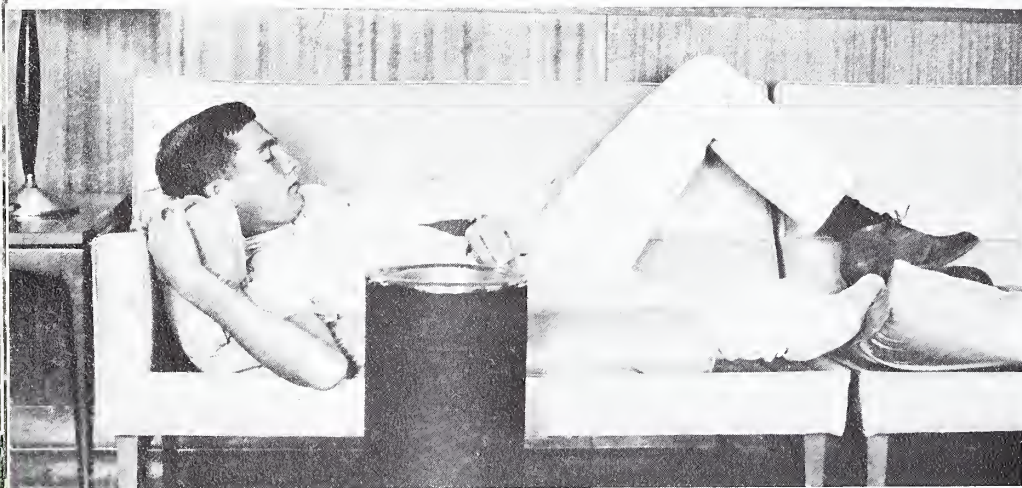

Have I scattered

In These

Streets...

The Prophet

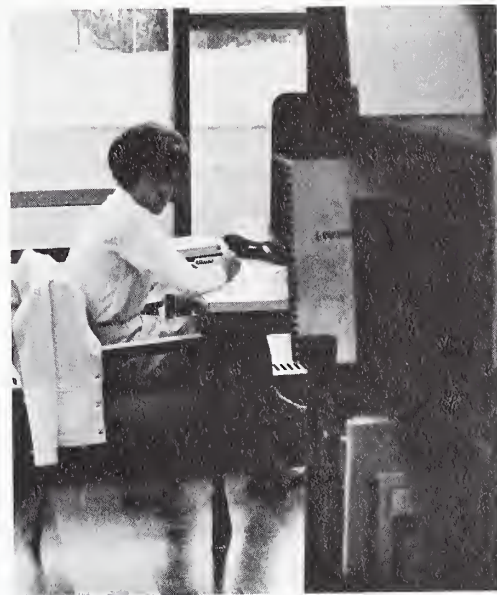

The Goal is the same
But
The vital parties are often in opposition

For the Student...

...Like the Child...

...It is a time of Discovery

Often an individual
But Seldom
Alone

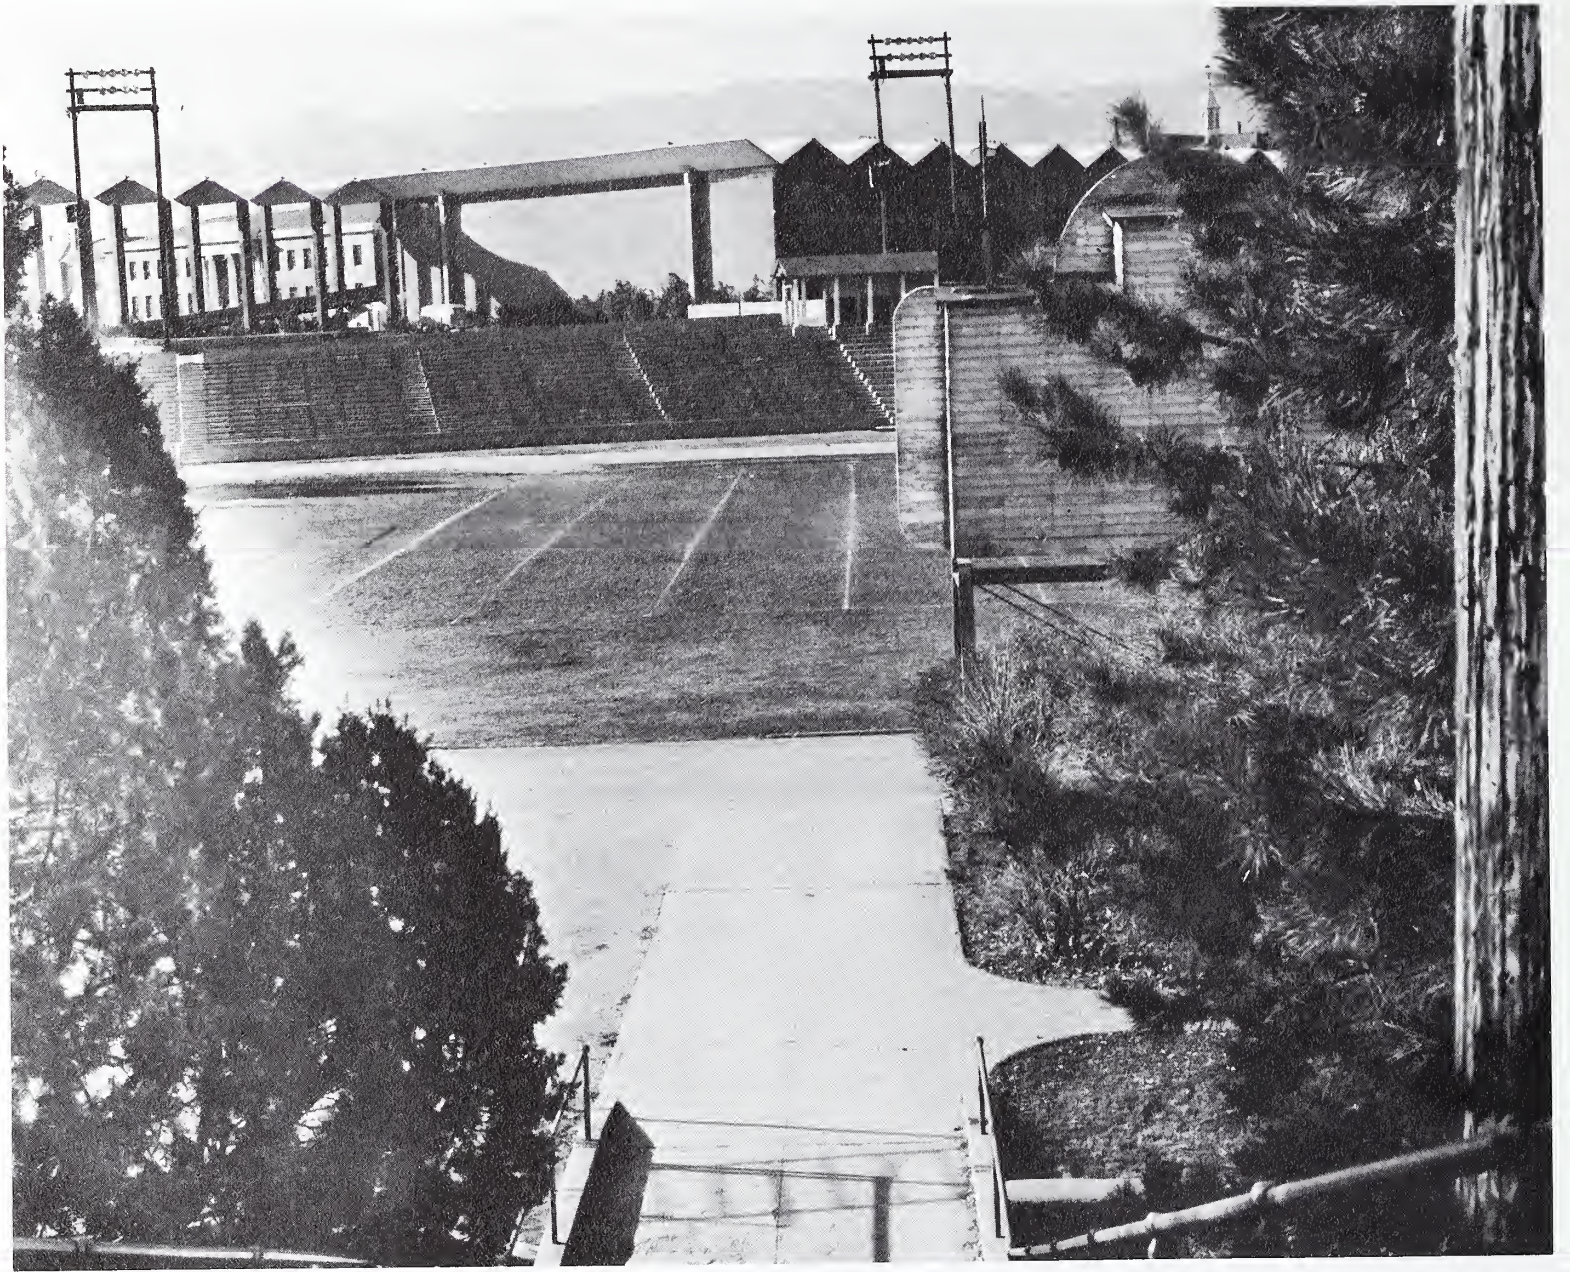

Leisure Time...Empty Hours

Given Meaning

By

Individual Desires

The vital
Periphery
For an
Academic
Community

Elusive Truths
Lurk in the Shadows

Yet
Dreamers
And
Doers

Accelerate
Time

And...

Time Will Bring Light to Whatever is Hidden.

MICHAEL J. INGERSOLL

The University of Nevada is expanding at an unprecedented rate. Such expansion, however, is complete only with an equal growth in the quest for attainment of social and academic excellence. It remains the task of those who have faith in this University as a living institution to successfully channel such expansion in this direction. Change is not progress until one gives direction to change and thought to progress. Thus, we must be knowledgeable about the past and exploit the future with a vigor that comes from an intractable belief in ourselves and those around us.

"Foot"

Editor's note: This was Mike's address to the student body, which he gave to me three days before he died

He Believed . . .

He Created . . .

He Achieved . . .

. . . He Understood . . .

He touched so many lives.

“Foot”

Lives on . . .

“Life is not measured by the passing of years,

But by what one does,

What one feels,

What one achieves.”

ADMINISTRATION

FACULTY

This year's theme for the Artemisia, "The heartbeat of the University is Man," is well chosen, for it is you young men and women who provide the impetus for University of Nevada excellence and growth, as you look forward in your determination to acquire a sound education.

In your quest for higher education, you have demonstrated your belief that you must be prepared for the tremendous tasks which lie ahead and in so doing, you have shown continued devotion to our state and to our country.

I have been very proud of you this year, for you have shown maturity of thought and character in many ways. You have accepted the "growing pains" your University is experiencing — and you have done so in good will. You have welcomed many students from other lands with the open arm of friendship. And you have carried on the fine traditions of your University.

The statement that "the Struggle in which we are now engaged will be won or lost in the classrooms of America," is as true now as when our late President John F. Kennedy uttered it. Only now, the struggle of the free world has become greater.

I am confident that you students of the University of Nevada will not tire in your search for knowledge and that you will, during your lifetimes, demonstrate your understanding of man's problems. And, while you are preparing for your life's work, I have faith that you will keep the heartbeat of our University strong.

Grant Sawyer
Governor of Nevada

Grant Sawyer

GOVERNOR
OF NEVADA

Charles J. Armstrong

The past two academic years have brought many changes to the campuses of American colleges and universities. There has been turmoil and upheaval. Old ideas are being discarded; new ones carefully examined. Students have become activists. They have sought and supported important causes outside of the University and they have made their thoughts and their ideas felt widely throughout our country. Students are no longer the silent generation. They have proclaimed their belief in the value of active participation in the pressing concerns of our society and of our world.

Despite the fact that not all of the results of this new spirit of student activism have been constructive or beneficial to the universities concerned or to the society which they serve, we in the University of Nevada can take pride and gratification in the fact that on both campuses of our University such student activities have been constructive and motivated by a sincere desire to promote the best interests of the University as an agent for the propagation of knowledge and the advancement of good learning for the benefit of society and of our way of life.

For those of you who graduate this year, we in the University have tried to insure that your quality of maturity is fully functioning before you encounter the new challenges which lie ahead of you. In turn, we hope that you have accepted your obligation to understand the challenge of life in the University; to appreciate the vitality, depth, and breadth of your University experience. This entire experience is meaningless unless you have fully participated in it and I believe that you have done so.

Your future is bright with promise and the challenge of a constantly changing world. We trust that you will continue to be activists in this world and to participate fully in it. Only in this way can you bring to reality the full potential of what you have learned here. You carry with you our best wishes and our highest hopes.

THE
PRESIDENT OF
UNIVERSITY OF NEVADA

Left to Right: Hon. R. Ronzone, Las Vegas; Hon. A. Grant, Las Vegas; Hon. G. Davis, Fallon; Hon. M. Magee, Austin; Hon. P. Hug, Jr., Reno; Hon. F. Anderson, Reno; President C. J. Armstrong, Reno; Hon. J. White, Boulder City; Hon. H. Jacobsen, Carson City; Hon. L. Lombardi, Reno.

BOARD OF REGENTS

Members of the Board are elected every four years. The control of the University of Nevada is vested by law in an elected Board of Regents in which final authority is lodged. The Board is a corporate body and thus becomes legally responsible for the final control of the University. It formulates policies which are followed by the administration of the University. The administration is vested by the Board in the President in accordance with policy developed and approved by the Regents.

CHANCELLOR

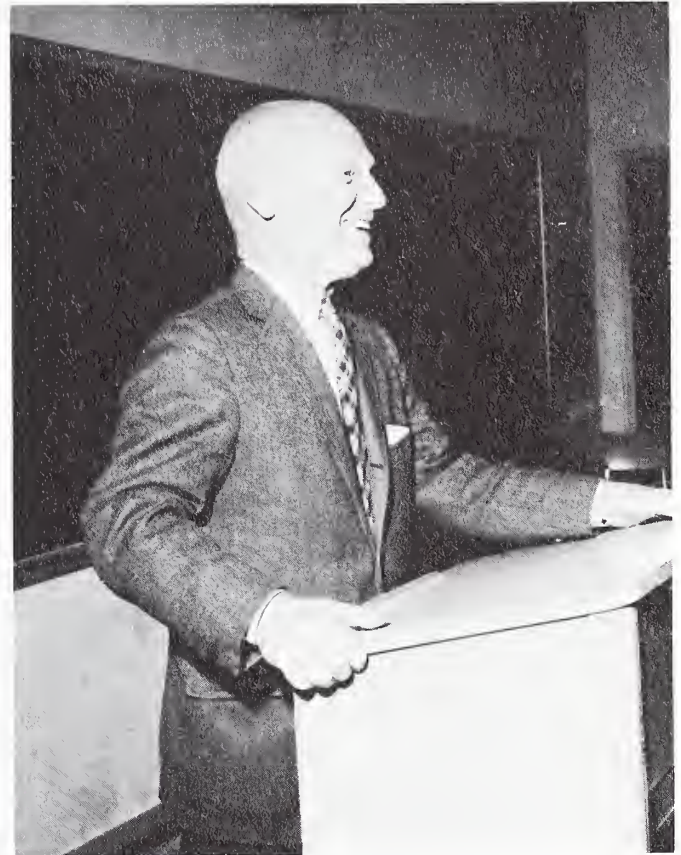

Sam Basta
Dean of Student Affairs

James Hathorn
Dean of Men

Elaine Mobley
Dean of Women

N. Edd Miller
Chancellor

I am happy to be given the opportunity of offering my congratulations to the graduating class and of joining your friends and families in wishing you continued success.

More than an organization or an institution, a University is a gathering together of individual human beings. The strength of a faculty of a University is the accumulation of the strengths of the individual faculty members. A student body is this, not in the sense of a mass of students, but only in the sense of a body whose cells are individual human beings, each with his own goals, aspirations, attitudes. The years spent on a University campus are valuable years insofar as they quicken the intelligence, broaden the knowledge, define the goals, develop the values, increase the wisdom of the individual.

The impact of the University of Nevada on you, as a student, should be great and enduring. The impact of the University of Nevada on the state, the nation, on society in general, will be an impact exercised through you as an individual.

You are only the "heart beat of the University" but you are what the University is all about.

STUDENT GOVERNMENT

A.S.U.N. President

Mike Ingersoll, ASUN President

For the first time in history, an A.S.U.N. President died in office. Our beloved Mike Ingersoll, fatally injured in a parachuting accident, was never able to finish his term of office. Yet, in the face of tragedy, university life must go on. Bill Chaffin, the first vice-president, took over the reins of the presidency of the student body for the remaining semester.

A.S.U.N. OFFICERS

Bill Chaffin, ASUN First Vice-President

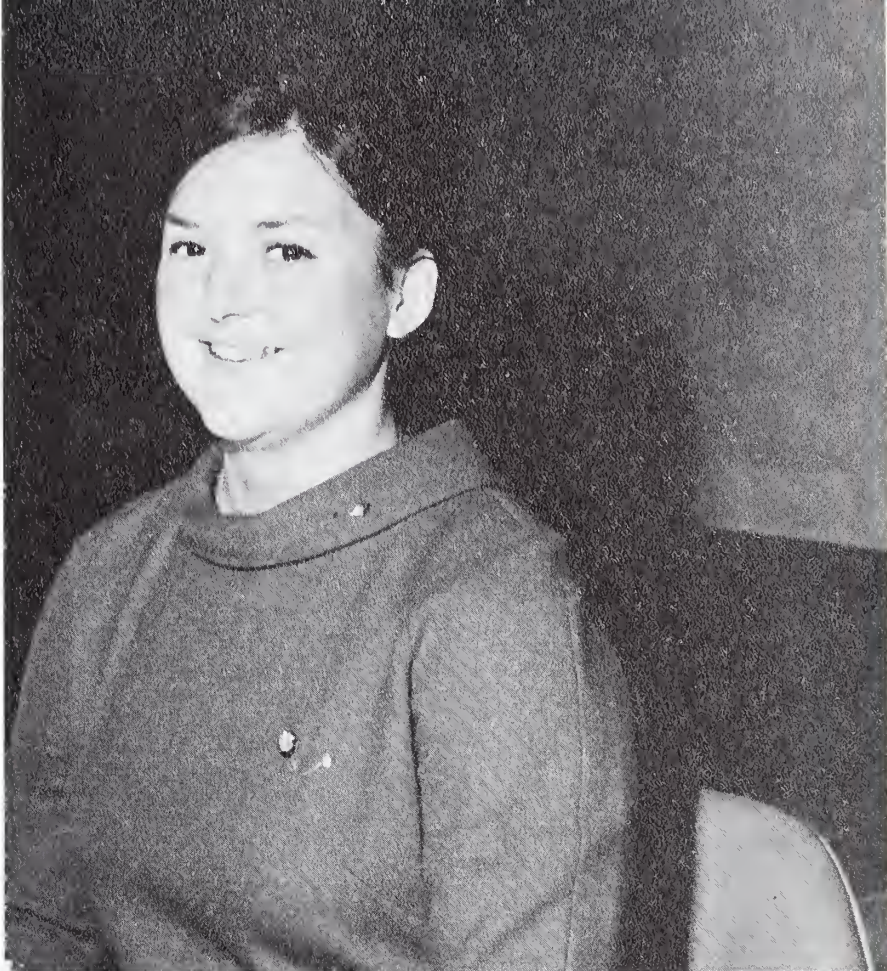

Michon Maupin, ASUN Second Vice-President

The challenge of education is there for those who have the strength to meet it.

We have taken the initial step in meeting this challenge. It is necessary that we continue to learn in order to promote a society with promise.

Robbin Schoff
AWS President

Robbin Schoff, AWS President

Sheila Davis, AWS Vice-President
Michele Sala, Assistant

A.W.S. OFFICERS

Marilyn Jones, ASUN Secretary

SENATE

The A.S.U.N. Senate had a very successful year under the leadership of its president, Nick Moschetti. They showed much activity which included an evaluation of professors, elimination of A.S.U.N. support of Banquets, the blood drive, and the Ingersoll Memorial lectures foundation.

Senate officers — Nick Moschetti, Marilyn Jones, Michon Maupin, Bill Chaffin.

Nick Moschetti, President of Senate

Left to Right, Row One: Michele Maupin, Nick Moschetti, Marilyn Jones, Michon Maupin, Bill Chaffin, Shelia Dwyer, Linda Smalley, Lynn Armbruster. Row Two: Lance Sparks, Jan Webb, Kay Maxwell, Sarah Anderson, Ronda Wilson-Reid, Barbara Cooper, Jo Landa,

Sherry Locke, Marian Stead, Carl Fuetsch, Bill Maupin. Row Three: Riley Beckett, Robin Schoff, Charles Murphy, Tony Behm, Jane Williams, Patsy Murray, Charles Manes, John Echeverria, John Utter, Larry Eck. Row Four: Ernie Spaulding, Gary Silverman, Craig Howard, Ernie Maupin, Bob Basta.

Craig Russell
Karen Kess

Frank Bilbao
Margie Uhalde

Keith Stephens
Chief Justice

The judicial branch of the ASUN Student Government handed down many important rulings this year, among them was the vital issue concerning the succession to the office of student body president. Their other duties concern investigation, adjudication, and recommendation in cases involving the University Conduct Code.

STUDENT JUDICIAL COUNCIL

Left to Right: Charles Murphy, Craig Russel, Kieth Stephens, Bruce Wallace, Karen Kess, Dean Hawthorn, Frank Bilbao and Margie Uhalde.

Tony Oxborrow
President

Tony Oxborrow and the Student Union Board members have done much to promote entertainment in many forms for students this year. Along with top notch entertainers for each of the major functions the intellectual emphasis was also prevalent in the lecture series. With the newly approved fee raise the program should raise to an all time high.

Keith Stephens
Vice President

Left to Right, Row One: Jeff Lewis, Tony DeSalvo, Tony Oxborrow, Ellie Robers, Carollee Williams, Bob Kersey. Row Two: Marvin Murphy, Keith Stephens, Ginny Heck, Norman Beesley, Michon Maupin, Craig Howard, Peggy Crumley, Dr. Craig Sheppard.

Left to Right: Dr. Seufferle, Mike Ingersoll, Michele Maupin, Bob Basta, Bill Chaffin – Chairman, Marilyn Jones, Sherry Locke, Chuck Murphy.

FINANCE CONTROL BOARD

The Finance Control Board is one of the most powerful boards in student government. It takes the fee of \$17.50 from each student and decides how it is to be spent; but along with this it holds final authority over all ASUN funds, which amount to about a half a million dollars. It oversees the bookstore, and all ASUN operations.

Bill Chaffin, Chairman

Left to Right, Row One: Sherry Locke, Junior Women's Senator; Sig Rogich, **SAGEBRUSH** Editor; Marilyn Jones, ASUN Secretary; Chuck Murphy, Chairman of the Board; Bob Basta, Junior Men's Senator; Michele Maupin, Senior Women's Senator; Jack Cooney, Business Manager of **FORUM**; Row Two: Bill Chaffin, ASUN President; Maurice Beesley, **BRUSHFIRE** Editor; Mary White, **FORUM** Editor; Carl Fuetsch, Senior Men's Senator; Elfrena Sewell, **ARTEMISIA** Business Manager; Joyce Freeman, **ARTEMISIA** Editor; Marc Ratner, **SAGEBRUSH** Business Manager; Dr. Morrison, Advisor; and Jim McNabney, Graduate Manager.

Dr. Morrison
Faculty Advisor

PUBLICATIONS BOARD

Once again the board was the center of controversy as it dealt with anything from a possible removal of the **SAGEBRUSH** editor and elimination of voting rights for the editors and business managers of the **SAGEBRUSH** and **ARTEMISIA**, to appropriating funds for the proposed **HUMBUG** humor magazine. Through it all both Bill Chaffin and Chuck Murphy played the vital role of peacemaker and parliamentarian to promote a job well done.

EXECUTIVE COMMITTEE

In their vital capacity of co-ordinating and executing factors of importance to students the Executive Committee was kept quite busy this year, so busy in fact that they failed to get their pictures taken. Missing are: Robin Schoff, Michon Maupin and Chuck Murphy.

Elfrena Sewell
ASUN Historian

As ASUN President Chaffin is always saying,
"Nobody pushes me around!"

ASUN HISTORIAN

Serving in the capacity of ASUN Historian, Elfrena Sewell established a new record for efficiency in caring for and completing the school's scrapbook. Through her efforts she obtained the all important information published in the newspapers throughout the year.

A.W.S. JUDICIAL BOARD

Left to Right: Sharry Springmeyer, Terry Haller, Phyllis Teipner, Candy Giles, Mary Ann Meyer, Sheila Davis, Robbin Schoff, Dana Stafford, Ginny Heck, Dean Barnes. Left to Right, Seated: Dana Stafford, Lynn Allen,

PHI KAPPA PHI

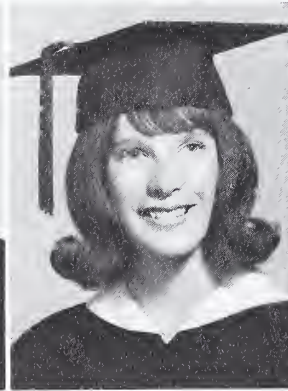

The National honor society of Phi Kappa Phi is composed of graduate and undergraduate members of all departments. Its prime objective is to emphasize scholarship in the thoughts of college students, to hold fast to the original purpose for which institutions of learning were founded, and to stimulate mental achievement. The society elected to membership these members of the graduating class.

DELTA SIGMA PI

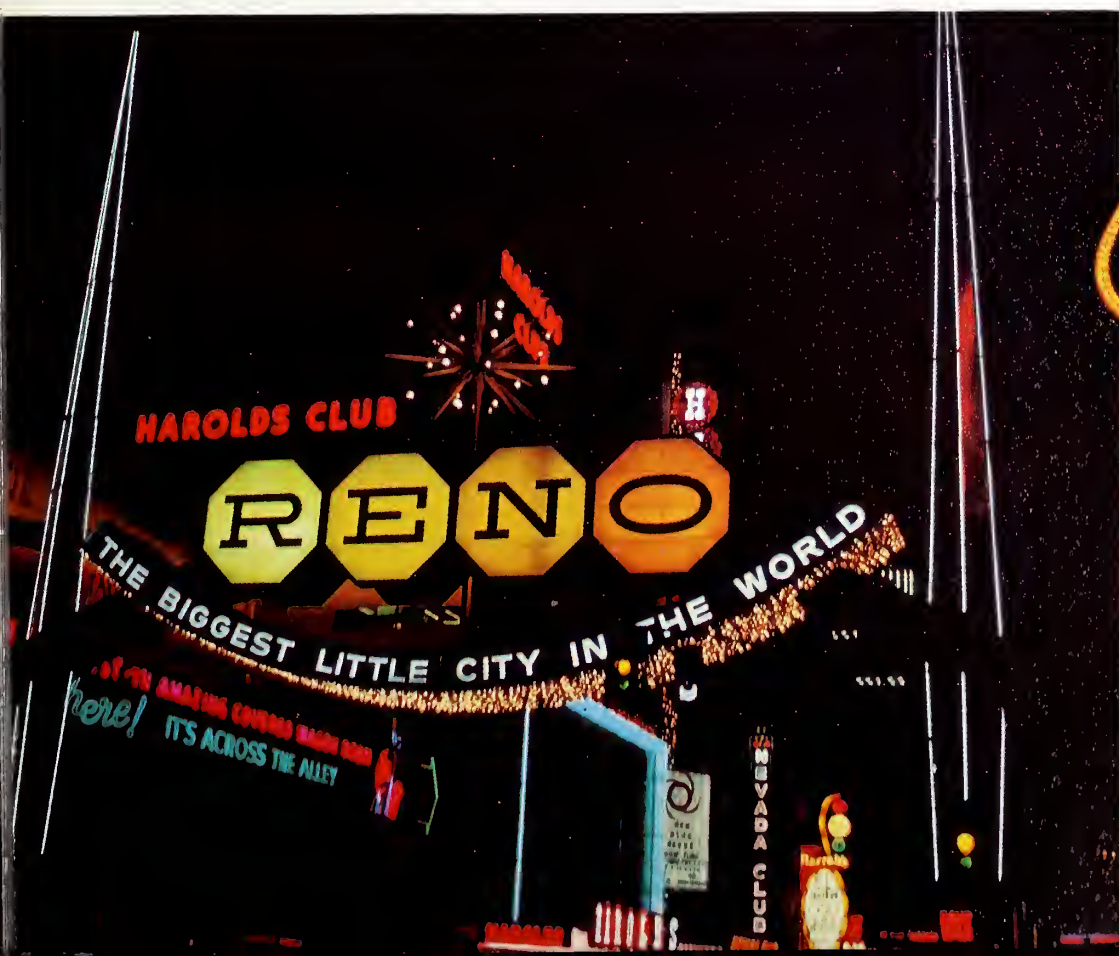

Delta Sigma Pi, an international business fraternity, is composed of business majors. Its purpose is to promote academic achievement and closer cooperation between schools of business and the business community. Delta Pi chapter at this University boasts the only woman member in the entire nation. — Dr. Kathryn Duffy, who this year is on a one year leave of absence. Among its many activities this year Delta Sigma Pi chose Patty Urga as its Rose Queen.

BRADSHAW-KINEAR TROPHY

ATO President Kirk Kinne accepts Bradshaw-Kinear Trophy.

Each year at the I.F.C. Beanfeed, athletic trophies are presented to the different living groups and individuals for their outstanding performance in a particular field. At this year's beanfeed, Sigma Nu's Bob Newmeyer was awarded the Buzzie Marks Trophy for being the outstanding participant in intramural sports.

Alpha Tau Omega captured the Kinear Trophy for the living group with the most points in intramural competition, and they also walked away with the Bradshaw-Kinear Trophy for the fraternity with the most overall points in intramural sports.

PANHELLENIC COUNCIL

Dawna Daniels
President

Panhellenic Council oversees and governs all activities of greek women on this campus, as well as nationally. It is through this organization of representatives from each house and their alumni that cooperation and planning take place. Beginning with rush at the first of the year, to queens, open houses, and spring formals at the end of the year this group of women play a vital role in greek activities.

LIVING GROUPS

Delta Delta Delta House

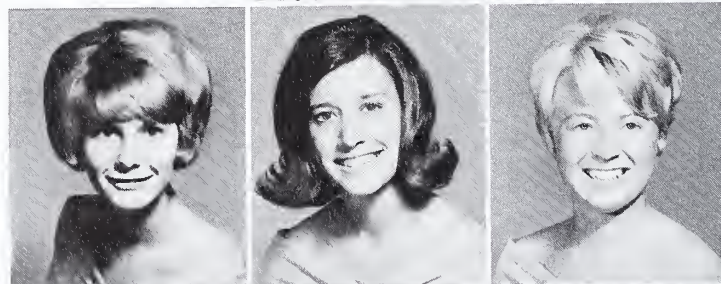

Theta Theta chapter of Delta Delta Delta in March 1913, became the first national women's fraternity chartered on the University of Nevada campus. Delta Delta Delta's national project is its organized work for scholarships to which contributions are made annually. The fraternity was nationally founded on Thanksgiving Eve in 1888 at Boston University, Boston, Massachusetts.

KAPPA ALPHA THETA

Kappa Alpha Theta, the first women's national Greek fraternity, was founded in 1870 at De Pauw University in Greencastle, Indiana. The University of Nevada chapter, one of 89 chapters, was founded in 1922.

The pansy is the flower of Kappa Alpha Theta; black and gold are the colors. The pin is in the shape of a kite, which is the symbol of the sorority.

The Institute of Logopedics, a speech therapy center, in Wichita, Kansas, is the main national philanthropy project of Theta. The Nevada chapter also contributes to the Foster Parents Plan by helping support a boy in Hong Kong. The local philanthropic activities include Thanksgiving food baskets and a joint Christmas party with Sigma Nu fraternity.

PI BETA PHI

Pi Beta Phi house.

Jeannine Van Wagnen
President

Founded in 1867, Pi Beta Phi was the first national fraternity for women. Pi Beta Phi was founded at the University of Nevada in 1915. At the present time there are 110 chapters in the United States and Canada. The sorority flower is the wine carnation. The sorority colors are wine and silver-blue. The pin is a golden arrow. Philanthropic projects consist of physio-therapy scholarships and the support of a Settlement School in Gatlinburg, Tennessee. This Settlement School was the first national philanthropic project of any national fraternity.

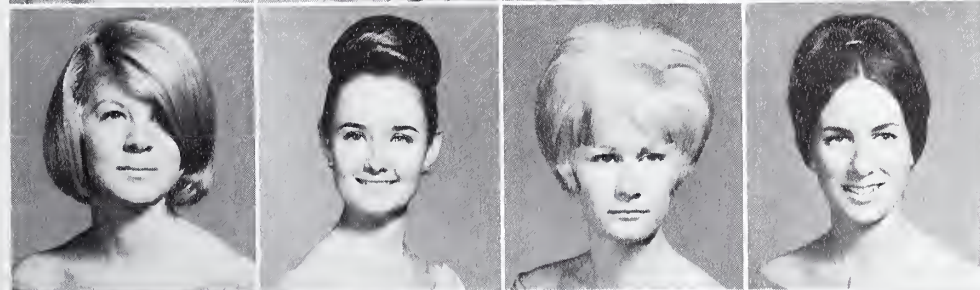

Our housemother is Mrs. Dolly Cobb. The university requires that each living group have a chaperon, but Mrs. Cobb means much more to us than a chaperon. She is very much a part of our chapter on Monday nights and during activities during the week.

ALPHA TAU OMEGA

Alpha Tau Omega was founded at Virginia Military Institute in 1865 and has been chartered at the University of Nevada since 1921. Kirk Kinne, the President of the Delta Iota Chapter, helped to lead the Taus to a very successful year. The fraternity again captured the Kinear-Bradshaw Trophy. One of their main activities, the Bowery, was a "smashing" success.

SPURS

Frustrated freshmen would remain frustrated freshmen, registration would be in a shambles, and school spirit would reach an all time low if the Nevada campus didn't have the Spurs. These sophomore women, who are chosen for their leadership ability and better than average grades, work to help Nevada students achieve school spirit. They also sponsor the Ugly Man Dance, a true Nevada original!

"FOOT"

As we read this annual, which serves as a record of the many endeavors and accomplishments of the past school year, it is with a great measure of sadness that we must note the passing of one who was so truly representative of that year and of the accomplishments which it represents. To say that our campus was stunned by Mike Ingersoll's death and to say that we suffered an irreplaceable loss by his passing is but to attempt description of that which is indescribable. Yet however indescribable the vacancy which his death left may be, Mike is gone, and it is impossible not to remember him as he was and inconceivable not to note what he meant here.

It is seldom that we can find the capability for scholarship, the ability for leadership and yet still the warm, true human quality of friendship in one person. Yet Mike Ingersoll was one such rare person. So many of us came to this University with hopes of what we could get here. Let us look back upon what he gave here. It would have been easy for Mike to have stopped with his election to Student Body President; a distinction highly creditable in itself, but Mike chose not to follow the easy course. He organized and followed through completion the John F. Kennedy Book-fund Drive, he initiated and directed to a remarkable success the University of Nevada Blood Drive and he actively pursued the High School Recruitment Program, making many trips throughout the state, seeking to attract talented students to our University. These are but a few of the many endeavors Mike undertook for the betterment of the University, and often they made much more difficult his scholastic obligations, and subtracted considerably from his own personal time. Yet he did not regard them as unpleasant burdens, but welcomed them as opportunities which could open many promising doors.

In everything Mike did his ability was clear, his friendliness, ever-present. Everyone who

talked to Mike or who knew him saw a young man already quite accomplished and well on his way toward success.

Had Mike lived, he surely would have continued in that exciting and dedicated life that was an inspiration to so many. As we have missed his presence on campus, so now we have lost the opportunity to share in his friendship and follow his leadership in the future. Yet the results of what he did show here, for Mike truly left his mark. The University has benefitted from what he did here and each of our lives was made richer as our paths crossed from time to time with his. Those of us who are so lucky to be able to leave this institution and go our separate ways cannot look back on our college days without remembering that warm, friendly guy who was so much a part of our lives here.

Mike was the kind of person whose joy for life caused him to give everything a whirl. He gave life a whirl and a good one. Someone has said, "Every journey must begin with a single step." Mike took that step and was well on his journey toward a meaningful and inspirational life. Let us who knew him well and shared in his endeavors, and let us, who knew him not so well but who were nevertheless inspired by his example, continue that journey for him. As words alone cannot fill the void that his death created, let us then do more. Let us to the task address ourselves and let us to his memory dedicate ourselves, for there could be no worthier cause than to follow in Mike Ingersoll's footsteps, though the strides be long and the path they tread be difficult. With the shining light of his example to guide us and his pleasant memory to sustain us, let us carry on in all that he deemed so important. Mike did not live in vain. Let us assure that he did not die in vain.

U. of N. traditions have been firmly upheld this year by our own anti-sobriety society — the Sundowners! They started the year off with a “bang”; turkey shoot and dance, and another and another. Homecoming gaiety paved the way for their annual experimentation on the consumption of a chicken and election night. The Downers then turned “sportsmen” and hosted the Beaver Bowl, the highlight of the year. The Downers also assisted in a Charity Show. In spite of their “problems,” their robust efforts paid off this year for they accomplished their purpose — TO CREATE GOOD FELLOWSHIP!!!

UNIVERSITY SINGERS

The University Singers, under the direction of Dr. Keith Macy, had a full and active year. They began with tours in the spring, sang at high schools in and around Nevada, appeared for the National Automobile Association, and staged the annual production of the "Messiah."

UNIVERSITY BAND

Under the excellent leadership of Dr. John Carrico, Director of Bands, the University of Nevada Band achieved new heights this year. Aside from playing at all football and basketball games for Nevada, the band has played for the rest of the United States over national television. Sixty-three strong, the band represents the true spirit of Nevada, and above all, the voice of Nevada.

The 1966 Artemisia has attempted to mirror the intellectual and natural environment of the university. Despite occasional plagues of procrastination, and the commotion emitting from the Sagebrush down the hall, the finished product finally went to press. It is the culmination of the talents and hard work of many students, most of them unpaid and unheralded, but through their efforts a year is recorded. A special thanks to Roy and Cleo Gaither of Pied Piper Studios for the tremendous job they did for us.

SAGEBRUSH

The Sagebrush, a subsidized student newspaper, is an independent newspaper that can publish nearly anything . . . and usually does. The Sagebrush confined most of its comment in the political realm to crusading for voters and bells, but its occasional forays into the national political arena still aroused err . . . interest. However, whether the job of the newspaper be to inform, interest, or entertain, the Sagebrush has done its job well.

FOOTBALL

Season's Review

Coach Trachok's Wolf Pack began the 1965 season with a defeat by nationally ranked Long Beach State College, but the rugged eleven bounced back to play their next two pre-season games with strong determination only to lose each by three points.

Then the Wolf Pack eleven began to show its true form by winning six of its remaining seven games. The Pack trounced California State College by a score of 42 to 0, and then traveled to San Francisco's Kezar Stadium to defeat the University of San Francisco 34 to 6. The University of Nevada continued its winning streak by defeating Sacramento State College, the University of California at Davis, Chico State College, and Humboldt State College.

The Wolf Pack season record of 6 wins and 4 losses placed them in second place in the Far Western Conference, and gave six football players All-Conference honors.

Head football coach Dick Trachok completed his seventh year with the Wolf Pack this season with his football team winning six games, losing four and placing second in the Far Western Conference. Coach Trachok is a graduate of the University of Nevada and was full-back of the Wolf Pack's 1948 "Powerhouse" team. The former Pennsylvanian began his seventeen year coaching career in Nevada as football coach of Reno High School where his teams won over seventy of their ninety-five games during his ten year stay. Coach Trachok's life time record is an admirable 97 victories, 56 losses and 3 ties.

Coach Jack Spencer is characterized by his relaxed and calm personality, which can be noticed during practice and in his office. However, Coach Spencer's emotions change during the basketball games. As each game begins, Spencer watches the action calmly from his sideline position, but soon finds himself waving his arms excitedly trying to control his team's activity on the court. Spencer's enthusiasm for the caging game can also be seen in his admirable career record at Nevada. In his six years as head basketball coach, Spencer's teams have captured three Far Western Conference championships and have competed in the same number of playoffs with his teams always in contention for the crown. This year, Spencer's team not only captured the league championship, but was ranked among the top ten small college basketball teams in the nation.

Viewing the entire season, Coach Spencer's Wolf Pack, led by four experienced seniors, was predicted by sports writers to be a "strong team," from the beginning. The team, however, began the season with a slow start by losing its first game and winning only three of its first seven games. Then the Wolf Pack traveled to the Rock Island Tournament during Christmas vacation to face two strong teams as the underdog competitor. Even so, Spencer's determined five came back after losing its first game to defeat strong Creighton University by one point in the most exciting game of the two-day tournament.

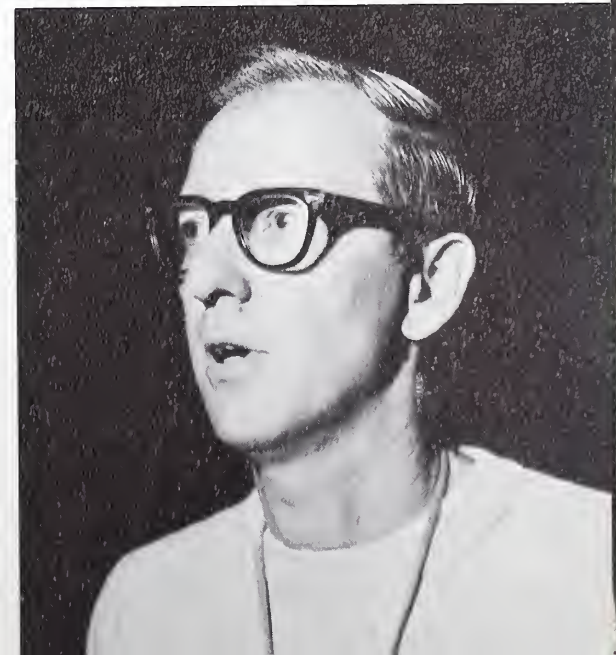

The hard working Wolf Pack proved unbeatable from that point on as they began with an upset victory over Cal Poly in Reno's Centennial Coliseum by a score of 84 to 83. In the next two months they proved to be Nevada's greatest team in many years, as Spencer's five defeated every opponent.

The seventeen straight victories placed the Wolf Pack in first place in the Far Western Conference and ranked them number ten in the nation among small colleges, with each of the first five players receiving honors on the all-conference team. Coach Spencer's Wolf Pack was the "Cinderella" team of 1966.

Captain Napoleon Montgomery. After an outstanding performance in his sophomore year, Nap Montgomery returned in his junior year to become the Far Western Conference's leading rebounder and also maintained a scoring average of 16.8 points per game. This year, senior Nap Montgomery's consistency in performance has made him one of the most valuable players on the Wolf Pack team. **Larry Moore.** Larry Moore had an outstanding season in 1965 when he scored an average of 15.9 points per game and collected rebounds at an average of 10 per game. He was named to the All-Far Western Conference second team. This year, Larry Moore has maintained his sensational pace by being the team's leading scorer through the season and has proven his ability by controlling the backboard during the entire season.

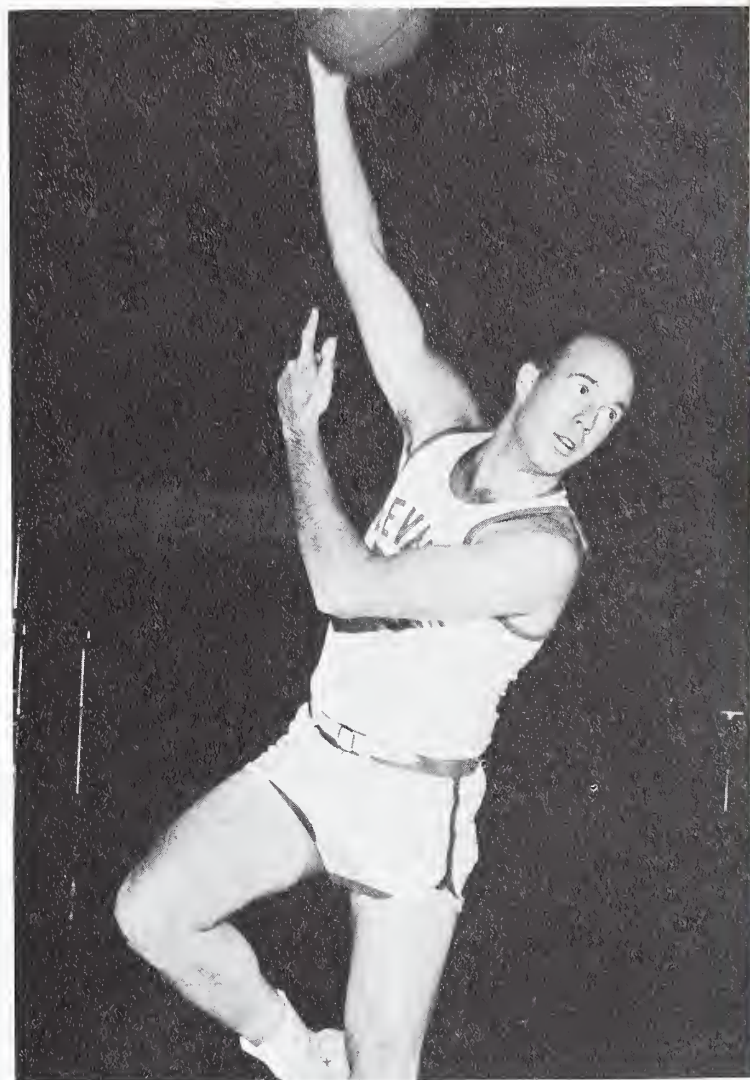

Bob Gilliam

Bill Nicholson. With a fine year of basketball behind him, Bill Nicholson last year scored 298 points and captured 224 rebounds to become a member of the All-Far Western Conference basketball team. This year Bill Nicholson showed the best performance of his career by leading the Wolf Pack to the Far Western Conference Championship, and again this year has been named to the all-conference second team.

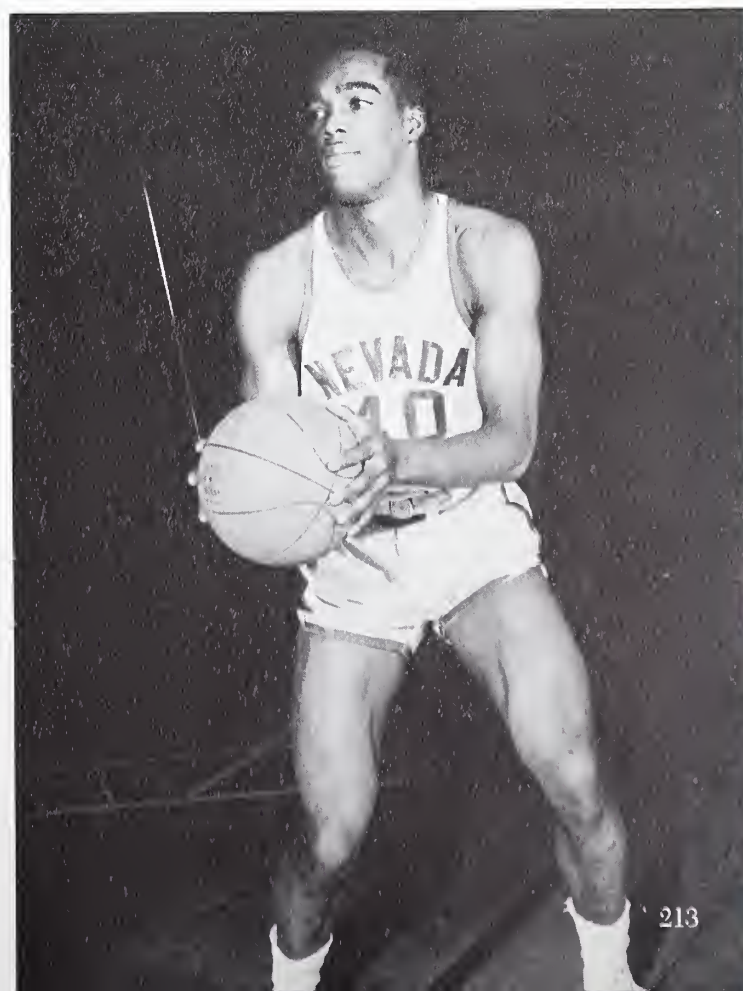

Larry Moore

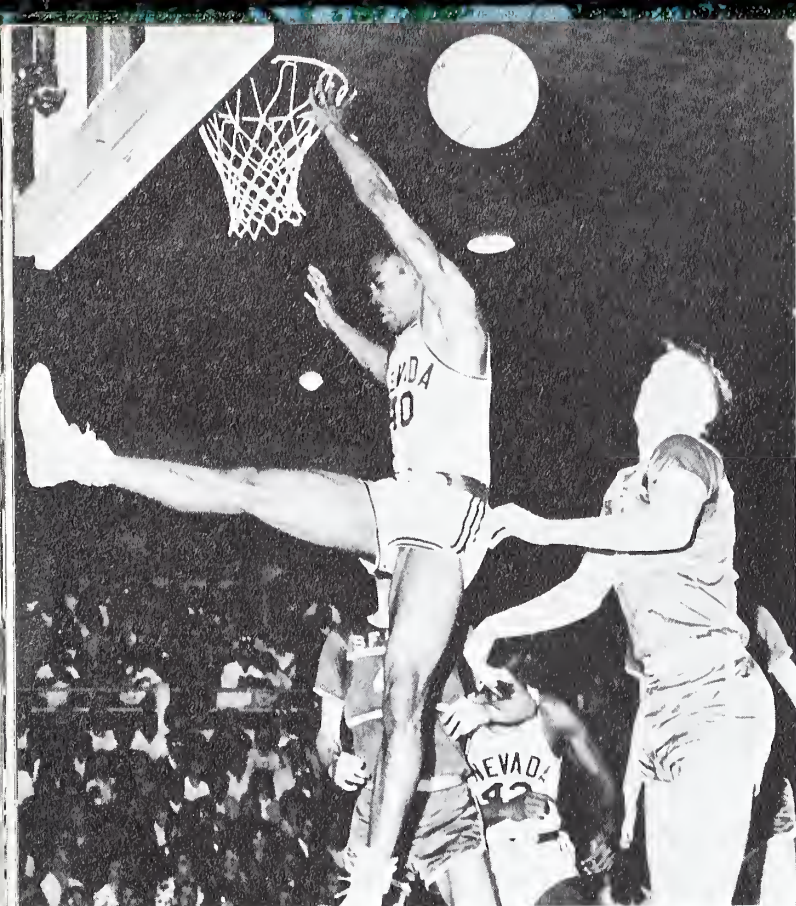

Frank Bruno. Establishing a fine reputation last year as a high spirited and hard working guard, Frank Bruno has returned this year to better his reputation. The Pittsburg flash is considered to be an all-around performer. His fine dribbling and passing have enabled him to score in the double figures, and have placed him in the position of play-maker. His superior performance throughout the season has placed Frank on the All-Conference first team. **Bob Gilliam:** As next year's only returning first stringer, Bob Gilliam transferred to the University of Nevada with an outstanding two-year record at Elgin Junior College where he averaged 20 points per game and was the team's leading play-maker. Bob's outstanding ball control ability has made him extremely valuable to the team throughout the season, and Bob's pinpoint shooting ability has made him indispensable. **Larry Moore** and **Nap Montgomery** were chosen for the Far Western Conference first team. **Bill Nicholson** and **Frank Bruno** were selected for the second squad and **Bob Gilliam** was placed in the honorable mention selections. It is quite a credit for the University of Nevada to have all five players chosen for the all-conference honors.

BOXING

Coach Jimmy Olivas, who was Nevada's coach of the year in 1965, is in his sixteenth year as boxing coach at the University of Nevada. In 1929 he was league champion in the middleweight division for three years and west coast champion in 1931.

During his long career as coach in the California Collegiate Boxing Conference, Coach Olivas has led his team to more conference championships than any other coach, and during 1964 two of his team members fought their way to the final elimination rounds.

The young 1966 boxing team began the season with a victory over the 12th Naval District in an exhibition bout. The Wolf Pack then continued its winning streak when it traveled to Chico State College to win its first conference bout with a strong defeat over the Wild Cats on their own home ground.

The undefeated Wolf Pack then traveled to the University of California at Berkeley, but the strong Golden Bears edged the University of Nevada by one point in a hard fought series of bouts. However, the Wolf Pack bounced back the following week to defeat the Golden Bears by a large margin at Nevada's gym. Coach Oliva's boxers finished the regular season by defeating the Wild Cats from Chico State by a score of 7 to 2. Now in first place, the Wolf Pack entered the league championships and compiled more victories than any of the other teams to capture the California Collegiate Boxing Conference Championship.

Season's Record

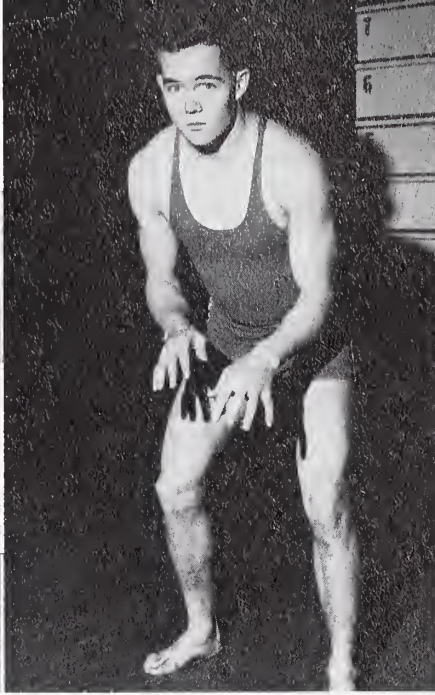

Led by Coach Lee Newell, the wrestling team had a very successful season in only the third year there has been a wrestling squad representing the University of Nevada. The first part of the season was rough but after several members of the team recovered from various illnesses the Wolf Pack became one of the three roughest squads in the Far Western Conference. Coach Jack Spencer continues to rebuild his squad this season after the loss of last year's lettermen. The Wolf Pack's success this season will rest on the ability of Spencer's young team, and on favorable weather conditions. Last year's stormy weather greatly hampered the Wolf Pack in practice and during meets. However, coach Spencer believes this year's team has promising athletes and will finish the season with a winning record.

U of Cal at Davis	Lost
B.Y.U.	Lost

The Dankworth era started at the University of Nevada during the spring of 1956 after his four years of teaching and coaching in the Los Angeles area. A product of Los Angeles, Dankworth received his education at Pepperdine College and the University of Southern California. Dankworth in 1964, took a leave of his mentor duties to do doctoral study at Stanford University. During his first seven years on the Wolfpack campus, Dankworth produced four undefeated conference championship teams, and one NCAA Pacific Coast Regional small college championship team.

Coach Dankworth has been very instrumental in the progress and availability of statistics in all the major sports as head of the public relations within the athletic department. Thus far in 1966 season there have been some great performances:

Otis Burrell—High Jump 7'—Best jump in U. S. this season

George Puce—Shot Put 58'—to break school record

Dave Taylor—Pole Vault 15 $\frac{3}{4}$ "—to break school record

Terry Forbyn—Mile, 880—4:13.6 and 1:54.3 for excellent times early in the season.

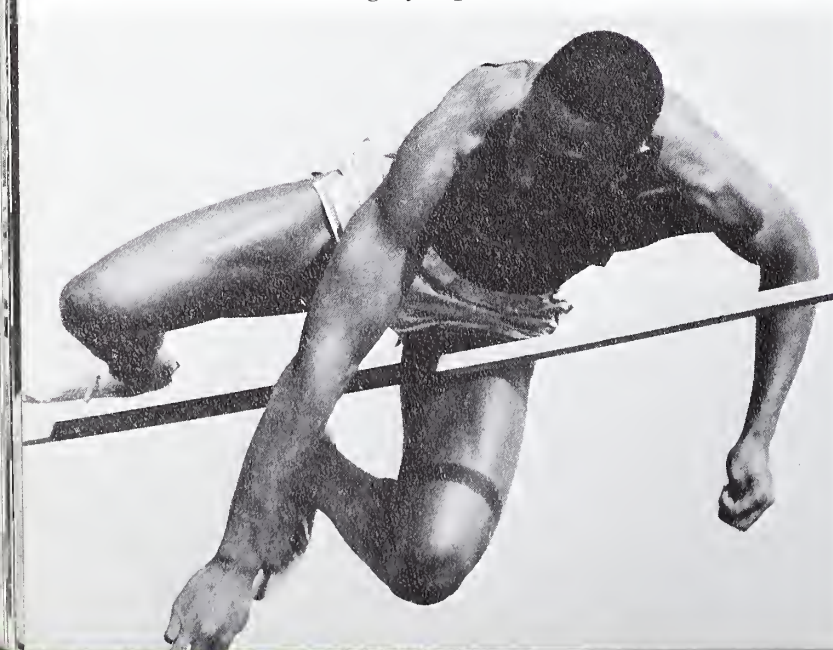

Many of the other team members are continually improving their performance. "I just hope that our boys will be ready at conference time," says Dankworth. Some people ask the question, "How does Dankworth get such great stars on his team?" For those people that know the coach, know that as long as there are men out for track, there will be stars. He has the personality that makes one give the most to each performance. As long as you hear someone say, "Hi ya big fella!" we will be in the Dankworth era.

Coach

After winning the NCAA Pacific Coast Championship last year the Wolf Pack nine are looking like they will do it again this year. Returning lettermen are Carl Bossieux, Fred Dallimore (who already pitched a no hitter this season), Ron Bath, Jim Nelson, Lornie Wagner, Rod Mathisen, Bob Gilliam, Bruce Nickerson, Nub Stauffer, Owen Toy, Earl Nursement, Steve Kosach, Ron Pagni, and Nik Walters. This fine baseball team is coached by Bill Ireland who came to Nevada with a fine high school coaching record. To add to his achievements he has been elected "Coach of the Year."

AROUND THE CAMPUS

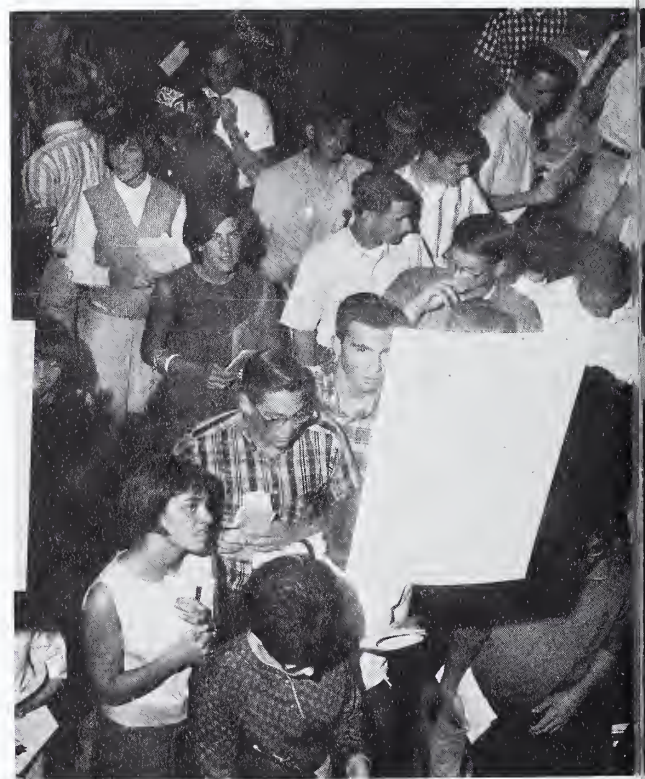

I'm going to tell my mother!

REGISTRATION

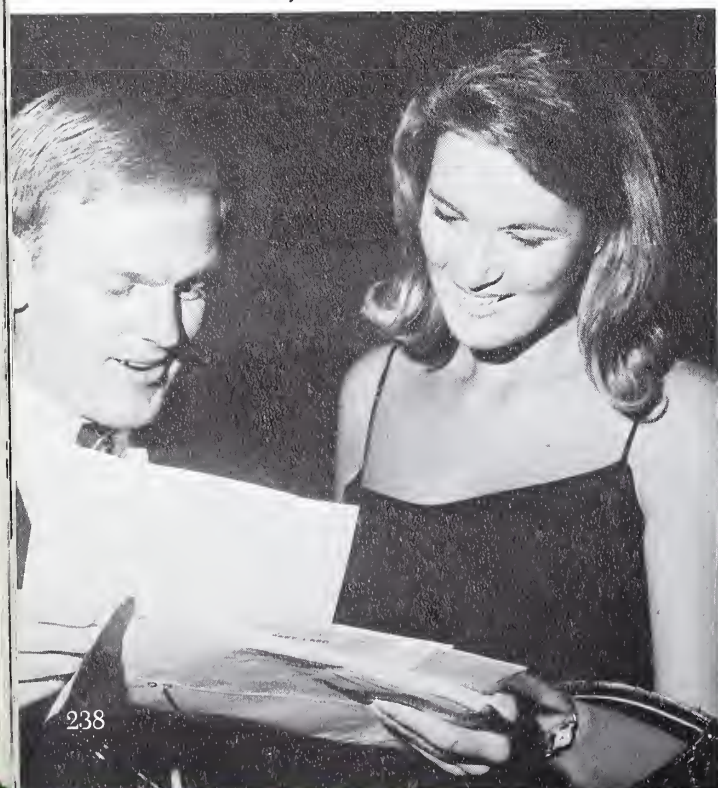

Registration came once again, and with it all of the normal insanity. Confused freshmen, bewildered sophomores, and dazed juniors and seniors alike are subjected to this torture, but, somehow, they survive it and classes begin.

Funny how girls usually get better service than boys.
Oh! Here's your measurements.

The mob descends.

That's what it says; she wants weightlifting 210!

TREK-NEK

Each year the annual Trek-Nek initiates the school year for freshmen and campus leaders alike. It is at this time that orientation begins to acquaint the new students with our campus. This year's Trek-Nek was headed by Joel Tew, but due to illness in his family ASUN President Mike Ingersoll took over.

It is at this time that freshmen receive their first real "con" job from upperclassmen.

With freshmen busy on the beach, the "leaders" take time out for the "pause that refreshes."

Maturity reigns at all times.

President Mike speaks to the Freshmen.

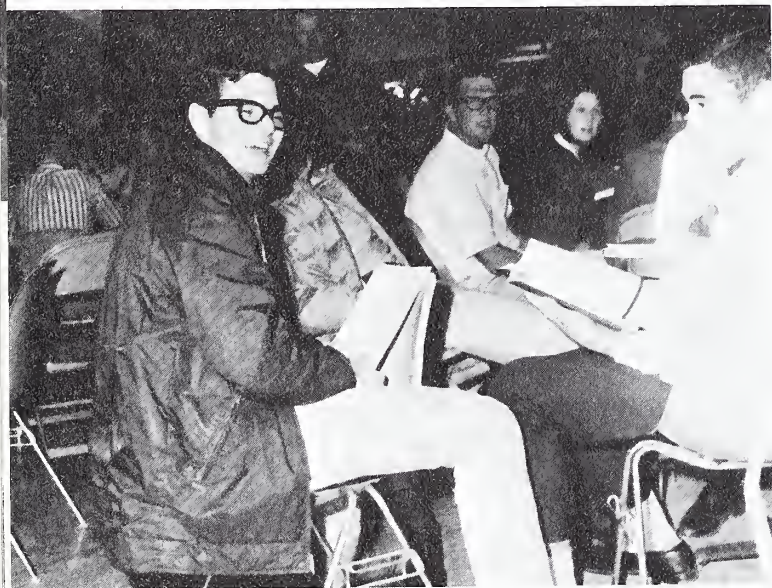

Good food made everyone feel just great.

The school year was to see many things, vital periphery for our academic community. Kess Island was salvaged for the ducks, many time honored traditions were forgotten in the rush of University life, and the "play" of campus existence continued.

Even professors took leisurely walks across the Quad.

Me study? Are you joking?

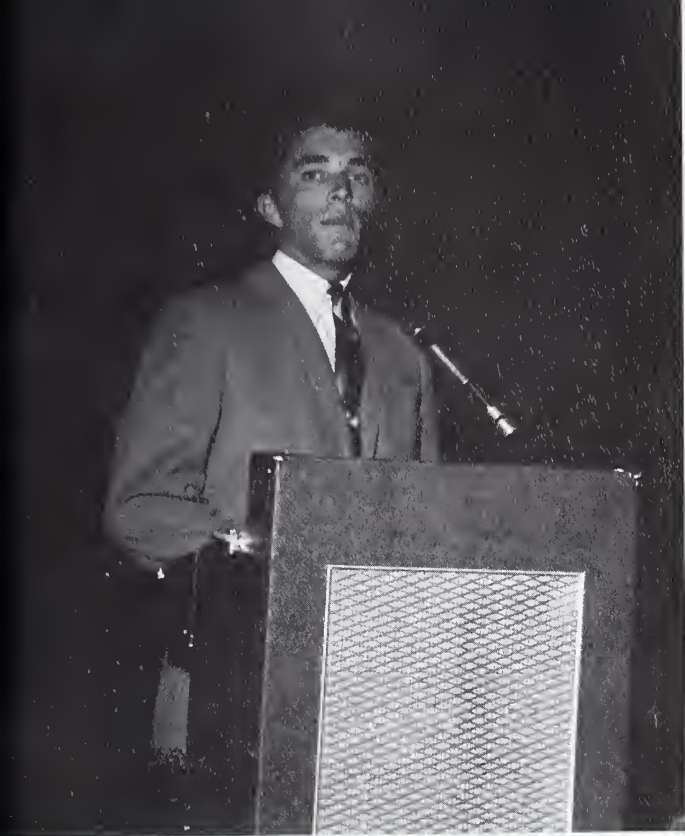

Kess Island was salvaged.

ELECTIONS

Elections this year were marked by the poorest voter turnout in recent years, with only 25% of eligible voters going to the polls. The results of the general election were close for all the offices, with ATO Bennie Ferarri capturing Senior class president and SN Tom Myers winning Frosh class president. The proposed amendment to the Constitution concerning the independent Senate seat lacked the required percentage required for passage, and thus was dropped.

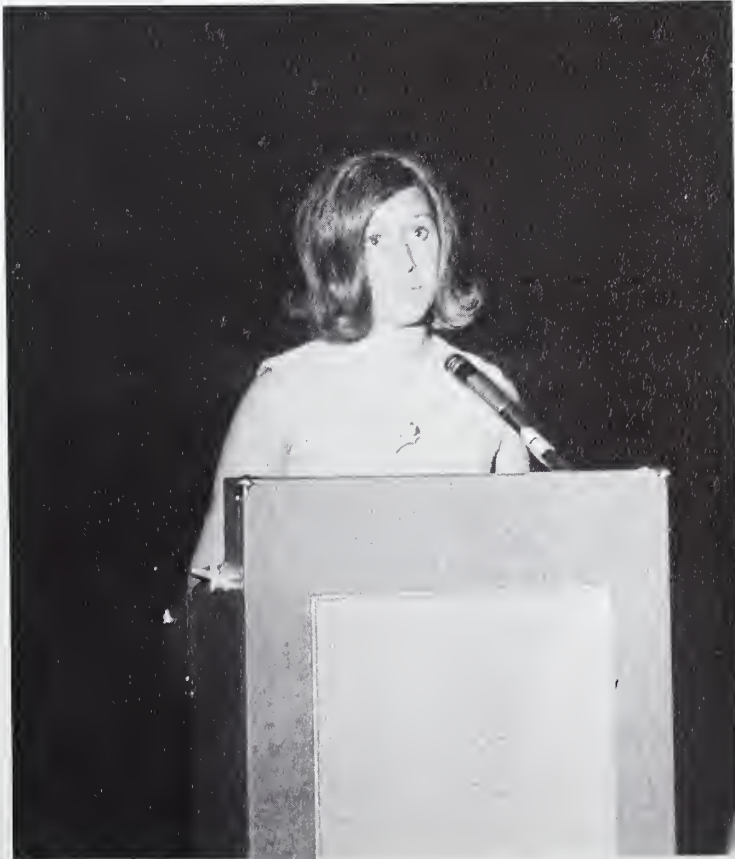

Say, you silly guys, I'd sure be good to ya if you'd give me your vote. I'm a hairy chested man.

Please. . .

Anyone who doesn't vote for Bennie gets it right over the head.

The long wait for returns. . .

COMIC RODEO

After an absence of a few years the "Comic Rodeo" returned this year under the support of the Aggie Club. Over 700 people trekked out to the Steen Ranch to watch and take part in the activities. Sigma Nu took first place honors in the men's competition and Gamma Phi's won the trophies in the women's division. Jeanne Delong and Gino Martini were crowned King and Queen of the rodeo.

Some showed some pretty professional form. . . .

Looks like they're after a man instead of a cow.

I . . . Want . . . Off . . .

Ooooh, I just can't touch it.

Now I've got it, what do I do with it?

Some took some pretty rough spills. . . .

THE LETTERMEN

Only about 500 students attended the first Union Board sponsored program, causing a financial loss. The Lettermen, however, were thoroughly enjoyed by those attending and the performance was one of the finest on campus this year. Keeping up a constant flow of humor and wit, they punctuated their show with short trips into the audience and a little student participation (with a special highlight of a solo from Sagebrush Editor Sig Rogich).

George Koltanowski, master chess player.

Cries of "Checkmate" were heard again and again in the Dining Commons as George Koltanowski played 30 simultaneous games of chess against any comers, WHILE at the same time lecturing on the history and strategy of chessmanship. Koltanowski writes a Chess Column for the San Francisco Chronicle, is tournament organizer for the West Coast area, and has written several books on the subject of Chess.

Robert Miller, International Correspondent.

He proceeded to stump many an opponent.

"Viet Nam, Colossal Blunder or Courageous Action?" was the topic chosen by Robert Miller when he spoke here on campus for the Scripps Lecture Series. Miller is a roving correspondent for the UPI and has spent some time in Viet Nam.

HOMECOMING COMMITTEE

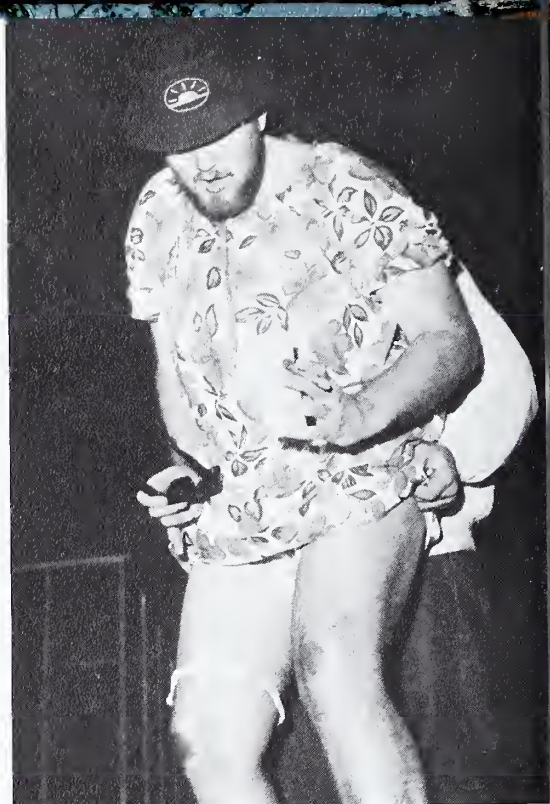

Dave Russell
Chairman

Homecoming action was under the direction of Dave Russell. It was because of the long hours that Dave and his committee devoted that made this year's Homecoming activities the best ever. The "We Five" started off the Homecoming activities. The Wolves Frolic followed under the direction of John Gasque. The first annual Beaver Bowl was a total success. A victory dance held at the Centennial Coliseum was the finale of a very successful Homecoming week.

"WOLVES FROLIC 1965"

Stop that you silly boy!

A large crowd attended frolic.

Hours and hours of rehearsals and then more work went into the presentation of Wolves Frolic; this year under the direction of John Gasque. There were some outstanding skits, and then, well there were some others . . . but all were funny. The Sigma Nu and Gamma Phi skits won first place honors and the frolic closed with an ad lib (and I mean ad lib) finale by the Sundowners.

Backstage frolic often saw more action than on stage.

"WE FIVE"

The performance of the "We Five" pleased all.

The Jot Travis Union Board presented the "We Five" as the '65 Homecoming entertainment. They showed their versatility by singing anything from folk music to rock and roll to ballads.

A football? . . . Well it's kind of round and brown, with a white stripe around it . . .

If I can't get her down, I'll just rip her shirt off.

BEAVER BOWL

A new tradition was started this year with the occurrence of the Beaver Bowl, which was a total success. A football game that matched Greek women against Independent women, the bowl saw everything from bruises to one broken arm in a game that ended 6-0 in favor of the Greeks.

Oh no, I'm going the wrong way.

It's like this team, we lost the football.

I'll run right over this chick.

Enthusiastic workers?

Ow! That's my finger.

Would you look at that babe over in the corner?

Now we're up here . . . What'll we do?

Hey, they stuff even worse than we do.

FLOATS

In warehouses scattered throughout the city students burned the midnight oil getting floats together once again for the annual Homecoming Parade. Following the theme, "American Travelogue," floats were constructed portraying everything from a rodeo to a huge ship.

College of Agriculture entry won third prize in "B" division.

"Virginia City Cemetery" won second place, "B" division, for the Newman Club.

Pi Phi, Theta Chi, and Lambda Chi joined to win fourth place, "A" division, with a Reno jackpot.

Artimisia-Lincoln won fifth place, "A" division with a Washington D.C. scene.

Cape Kennedy by SAE, PSK, and GPB captured third place in the "A" division.

The Sundowner's elegant entry captured no place.

Renewable Natural Resources Float.

Manzanita's float, "Crush the Aggies" ranked sixth in the "A" division.

Juniper and White Pine Halls captured seventh place for their entry, "Pic-A-Pac" Wolf Pack.

Theta and ATO teamed up to take second place honors in the "A" division, for their float, "Wipe Out the Aggies."

Crowds gathered at the Centennial Coliseum.

Well, I don't really think I'm **THAT** handsome.

HOMECOMING FLOATS

A victory dance was held at the Centennial Coliseum Saturday night, where everyone danced to the music of Maurice and the Mark IV. Trophies were presented to the winners of float and frolic during the intermission. The dance was a fitting close to a fine weekend.

VIET NAM SEMINAR

One of the most interesting events of the semester occurred with a roving seminar dealing with the highly controversial Viet Nam question. Various professors gave their views on the situation, and though they were very divergent, much thought was stimulated.

Much thought was stimulated by the seminar.

Miss Shinivar of the Political Science Department discusses her views.

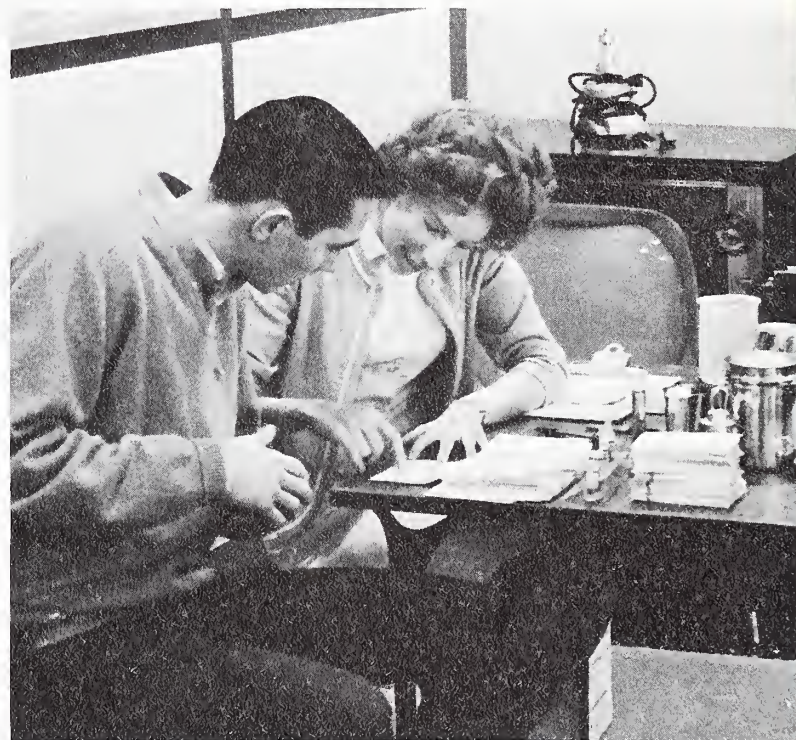

Mike Smithwick and Mike Ingersoll watch Chancellor Miller endorse the Viet Nam Blood Drive.

Some were pretty scared, but braved the ordeal anyway.

BLOOD DRIVE

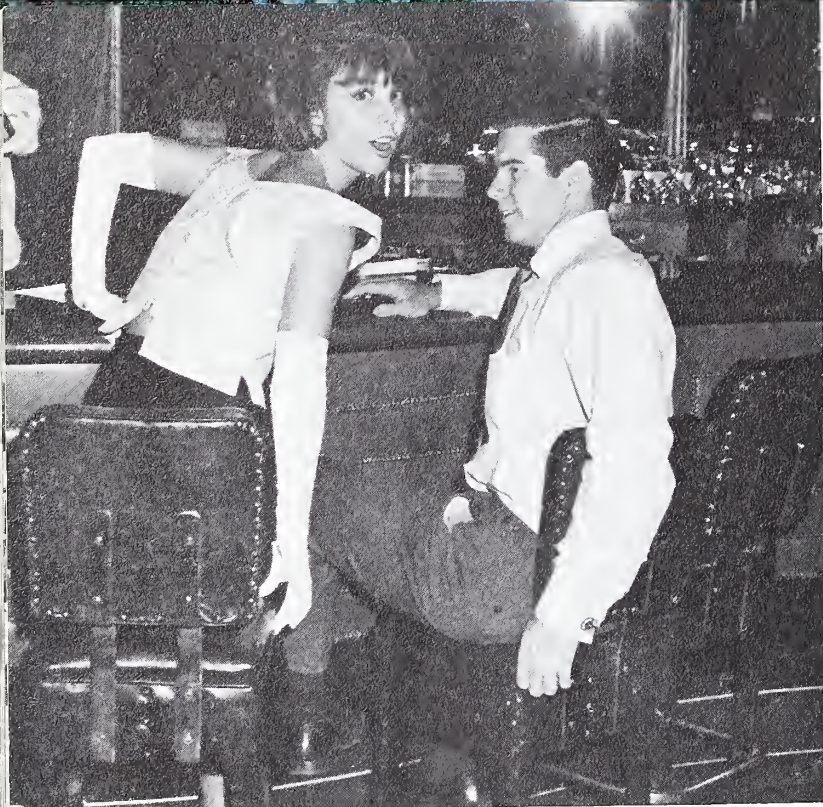

The University of Nevada received national recognition and a personal thank-you from the President of the United States, because of the blood drive to obtain blood for soldiers in Viet Nam. Through the tremendous job done by Mike Ingersoll and Mike Smithwick the University donated more blood than any other University in the Nation. People stood in line for hours to donate the more than 400 pints that set a national record.

Before students could give blood they had to answer a myriad of questions.

Chairman Mike was one of the first to donate.

Oh, No, caught again.

Should I, or shouldn't I?

You're breaking my leg.

CHRISTMAS

See, this is why I have such good posture.

Your arms are bigger than mine.

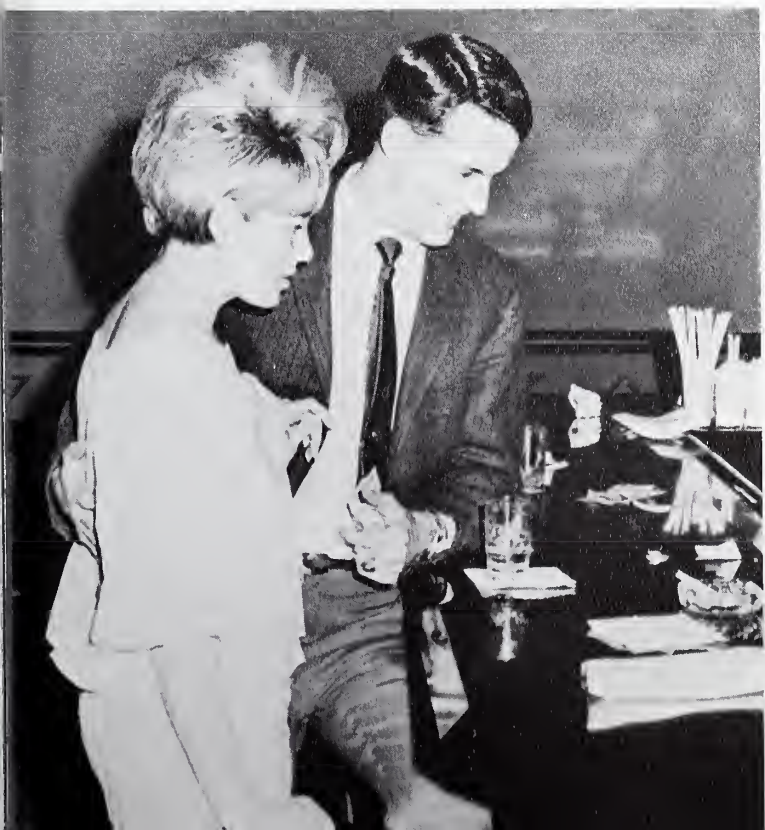

Here I go. Watch me! Watch me!

One of the new dances, or a personal invention?

FORMALS

Look at that, the bartender's passed.

Do I look as stupid as you do?

Won't anyone dance with me?

Lord, I'm stuck!

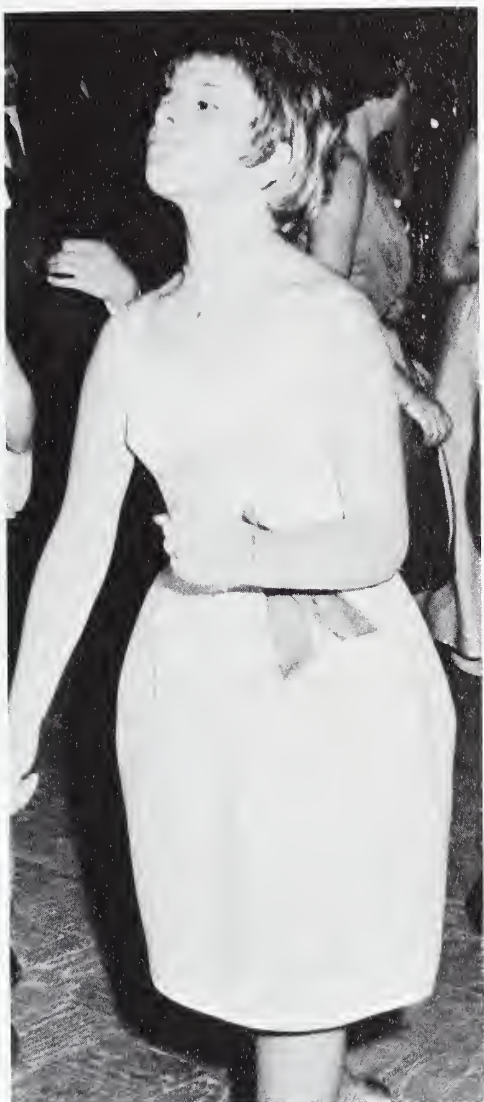

Ummmmm, that one's not bad.

Ohhh what a cute step, Rattie.

Can I have the next dance?
Huh? Huh? Can I?

Kiss me, you fool.

There's a bar, let me at it.

Ooooh, where's the men's room?

Mouth to Mouth resuscitation?

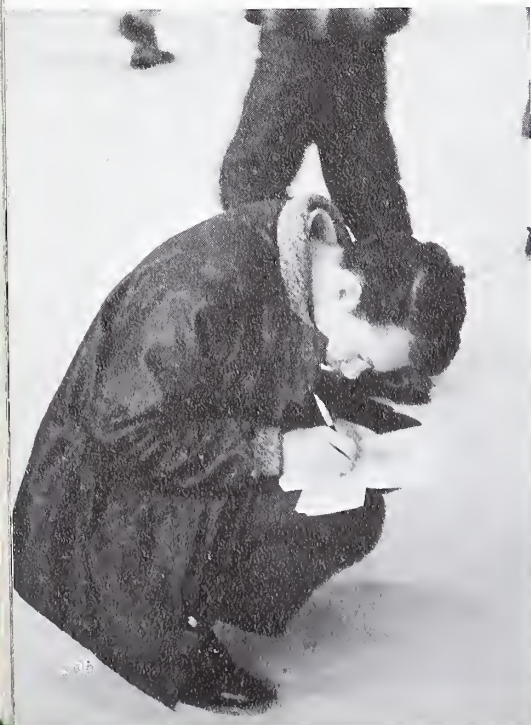

Many stayed up all night studying . . .

Dah . . . What? Me Worry?

Registration is a trying time for all.

FINALS AND REGISTRATION

The weeks of finals and registration are the most confusing, hectic times in the students University time. Haggard faces, bloodshot eyes and perplexed stares dominate the appearances on campus; but as always they make it, (well most of them anyway).

. . . some just looked like they did.

I hope somebody up there likes me!
I'll die before I get through this.

CHANCELLOR'S INSTALLATION

Chancellor Miller was installed February 11 in the University of Nevada gymnasium. The introduction and investiture was given by President Armstrong, and the honored Dr. Rodger W. Heyns, Chancellor at Berkeley, was the principal speaker. Dr. Miller was born in Houston, Texas. He and his wife and two daughters moved to Reno to accept the position of chancellor last September. Although Chancellor Miller has been on our campus but a few months, he has become a respected and close friend to all. Through Chancellor Miller's efforts a closer relationship between students and administration has been obtained. The Chancellor has filled a place long needed by this university.

WINTER CARNIVAL

The tremendous success of the twenty-fifth annual Winter Carnival was achieved only through the combined effort of the hard working Winter Carnival Committee. Although Nevada placed third, it was a very successful meet. This year's meet was the largest held in the United States. Under Craig Howard, the committee did an outstanding job in planning and running Winter Carnival for 1966.

CHANCELLOR'S SYMPOSIUM

Students and faculty discuss problems in the Travis Lounge.

March saw another innovation at the University of Nevada when a "Symposium" was held to air views about problems surrounding the campus. Faculty, administration and students pooled their views in informal talks that lasted throughout the day. The Symposium was held to promote better communication, help supply suggestions and to gain new ideas regarding problems at the University.

ASUN President Dave Russell speaks at the Election Assembly.

ELECTIONS

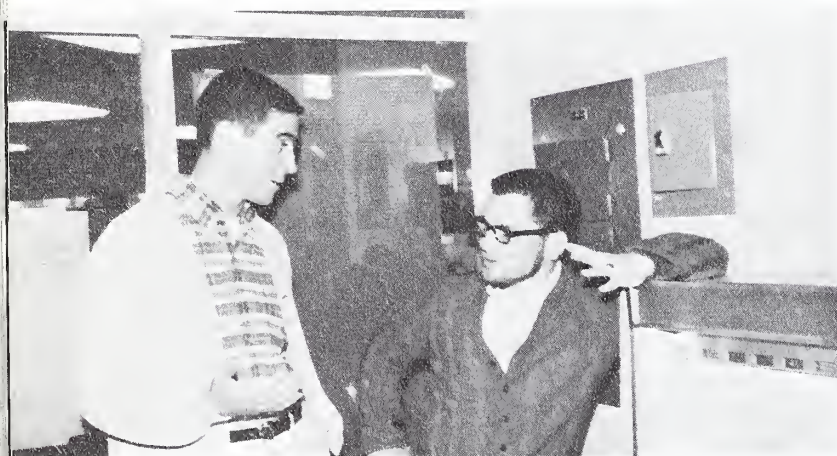

This year's elections saw an outstanding job done by all candidates not only in regard to campaigning but also relating to the conduct involved. The outcomes saw a surprising sweep of many offices by the Men of Sigma Alpha Epsilon and the Women of Kappa Alpha Theta.

He's my kinda guy!

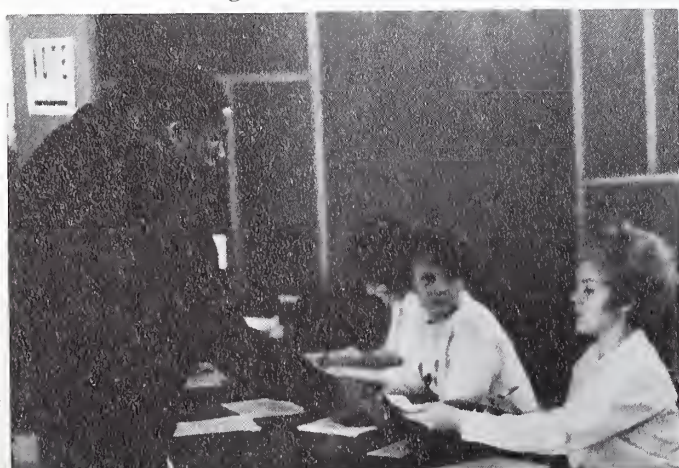

Often the electioning amounted to who could do the best job of "slinging it."

Hard campaigning was done by all.

MACKAY DAY COMMITTEE

Mike Stephenson
Chairman

Under the hard work and leadership of the Mackay Day chairman, Mike Stephenson and his committee, Mackay Day proved to be one of the most successful ever. Glen Yarborough highlighted the assembly on Friday night, Saturday was celebrated with the luncheon and song team competition, the ATO-SAE lawn party, and the dance that evening.

Part of the tradition of Mackay Day is the traditional growing of beards by all the men.

The weekend festivities took its toll of more than just a few.

Everyone dresses in western attire on Friday, or are subject to the "Buckaroo Court."

The "IFC Pasture Party" is one of the most favored of all Mackay Day activities.

The spirit of Mackay Day spread like wild fire and most everyone joined in the fun.

The obstacle races began on Manzanita Lake to initiate a fun-filled day of competition.

Each year the Spurs sponsor the annual Ugly Man Dance, which serves the double purpose of raising money for worthwhile WUS Service Projects and bringing special recognition to all those campus uglies who throughout the year remain unheeded, unheralded, and unloved. ...and if our hands should meet
in another dream,
we shall build another tower in the sky.
The Prophet.

Crispian Cufflin

We of the Artemisia Staff wish to pay special tribute to a man whose service to the University of Nevada has been unparalleled. Some of you know him only as "the man in the bookstore," and some know him simply as "Cris," but no matter the manner the acquaintance, you soon realize he is vital to the smooth running of a great part of the University.

Before the tragic death of our ASUN President the tentative dedication of the book had been planned for this man, but as another example of his selflessness, he suggested the dedication be changed.

It is to him we give much thanks, and admiration.

The editor.

Jeffery M. Reeves

JEFFERY REEVES

*He Made Up For
The Brevity of Life
By Heightening
Its Intensity.*

Death . . . how is it categorized? How is it written into the pages to enable comprehension?

To write about a void is impossible . . . to deal with one, even more incomprehensible.

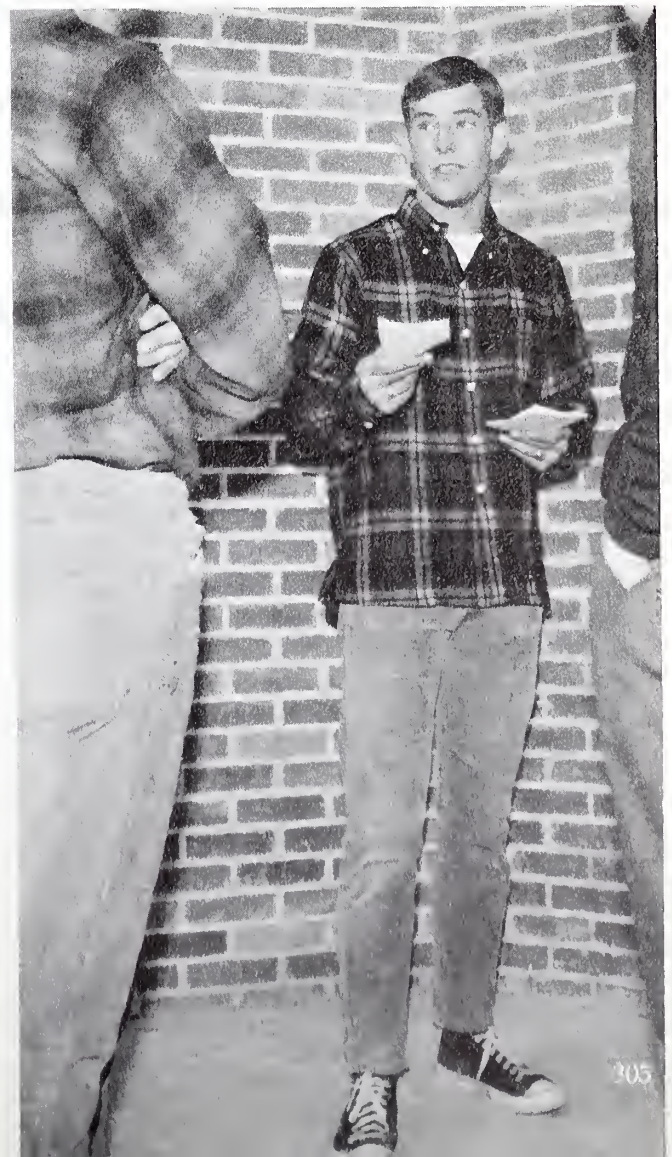

Yet we must . . .

for twice this year we have been faced
with such a tragedy.

To remember Jeff as an outstanding leader is not enough, for he was a vibrant personality, issuing forth life in all he undertook. This was Jeff, this is what he was to all who knew him, and this is how he should remain in our hearts and minds.

In this way a part of what he was will never die, but will live on in each of us, enriching our lives . . . just because we were lucky enough to know him for awhile.

Jeff . . . campaigning for the office of Junior Class President shortly before his death.

Three horizontal, wavy, light gray lines that curve upwards from left to right, positioned above the title.

Taxpaying Servant of a Great State

Since the **COMMENCEMENT** of time... **COPPER**

has played an important role in the development of man. Early Egyptians used the red metal and the planners of tomorrow's rockets find copper vital. The everlasting metal is also important to education. Kennecott, through tax payments, participates in providing improved facilities, better conditions and more highly skilled teachers. As a graduate, Kennecott's operations in Nevada actually mean greater opportunities for you.
